This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Gale, D.D., Rev. Elias J. Richards, Rev. James Eells, and Hon. John Porter.

It was made the order of the day for to-morrow morning, at 10½ o'clock, to receive the Annual Report of the Permanent Committee on Education for the Gospel Ministry.

The Judicial Committee reported that a paper had been put into their hands, purporting to be a request from Mr. C. H. Baldwin, to the Moderator of the Assembly, that his appeal from a decision of the Synod of Genesee be continued to the next General Assembly, and offering reasons for his failure to appear, and prosecute it. It appears from the Form of Discipline, Chapter VII., Sec. 3, Article 11, that his case is regularly before us for reference to the next General Assembly, if his excuse for now failing to appear shall be deemed sufficient.

The Committee recommend that the Assembly, in view of the reasons offered, and out of a desire to grant the appellant every reasonable indulgence, continue his case agreeably to his request; it being understood, that the sentence of the Presbytery remain in full force against him till the case be finally issued, in accordance with the provisions of our Form of Discipline, Chap. VII., Sec. 3, Article 15.

The report was adopted.

The Judicial Committee also reported, in relation to an appeal of the Rev. George Sheldon, from a decision of the Synod of Western Reserve. The report was accepted, and made the second order of the day for to-morrow morning.

The Judicial Committee reported, as being in order, a complaint of the Rev. Thompson Bird, in behalf of the Presbytery of Des Moines, against a decision of the Synod of Iowa, in the case of Rev. James H. Shields, who had been deposed by the Presbytery, for marriage with a woman divorced, as alleged, for insufficient grounds, and whom the Synod had restored. They recommend that it be taken up, and issued; and that in doing this the following order be observed:

1. That the action of the Synod complained of be read.
2. The reasons of the complaint.
3. The action of the Synod in the case.
4. The doings of the Presbytery, including all the testimony on which the action of the Synod was based.
5. That the original parties then be heard; first, the complainant, and then the Synod.
6. That any of the members of the inferior judicatory be heard in explanation of the grounds of their decision, or dissent from it.

The report was adopted, and it was made the first order of the day for Wednesday morning, to consider the complaint.

It was made the order of the day for this afternoon, at 3½ o'clock, to hear the Delegates from Corresponding Bodies.

Hugh McMillan, D.D., from the General Synod of the Reformed Presbyterian Church; Rev. Silas McKeen, from the General Convention of Vermont; Rev. Joseph R. Page, from the General Association of Connecticut; and Rev. Jeremiah Porter, from the Presbyterian and Congregational Convention of Wisconsin, severally addressed the Assembly.

The Rev. Hugh McMillan, D.D., being about to leave the Assembly, the Moderator responded to his address.

The Committee on Devotional Exercises reported, that the discourse of Rev. Sherman B. Canfield, D.D., on "The Reünion of the Synods of New-York and Philadelphia, or the Healing of the Great Schism in 1758," be delivered on Wednesday evening at 7½ o'clock; and the sermon on Home Missions at 2½ o'clock on Thursday afternoon.

TUESDAY, May 25th, 2½ o'clock P.M.

The Assembly met, and was opened with prayer.

The minutes of the last session were read and approved.

The Assembly resumed the consideration of the Report of the Judicial Committee on the appeal of the Rev. George Sheldon. After discussion, the Assembly adopted so much of the report as declares the appeal to be in order; and made the consideration of the appeal the second order of the day for to-morrow morning.

The Standing Committee on Publication, to whom was referred the Annual Report of the Publication Committee, and the Annual Report

of the Trustees of the Presbyterian House, presented their report. The report was accepted, and, after several amendments, was adopted, and is as follows:

The Standing Committee on Publication would present to the General Assembly the following report and recommendations upon the documents referred to them:

Upon a memorial from the Presbyterian Church of Brighton, Ill., asking that the Psalms of Dr. Watts, "mainly as he wrote them," be restored to the Church Psalmist, they recommend that it is not expedient to take any action.

They further recommend the adoption, by the Assembly, of the Fourth Annual Report of the Trustees of the Presbyterian House, and the reëlection, as Trustees of this House, of Messrs. John A. Brown and Matthew W. Baldwin, Rev. Thos. Brainerd, D.D., and Rev. George Chandler, whose term of office expires during the present sessions of the Assembly; also the election of Mr. Samuel H. Perkins in place of the Hon. William Darling.

The Sixth Annual Report of the Publication Committee presents to the Assembly matters of grave interest. This Committee is now in such a position, that it must either be vigorously sustained, or virtually abandoned. During the past year it has received, from churches outside of the bounds of the Philadelphia Presbyteries, only $622 $\frac{61}{100}$, while the Third and Fourth Presbyteries of Philadelphia contributed $7566 $\frac{24}{100}$. The balance remaining in the Treasury, $1115 $\frac{90}{100}$, is more than covered by outstanding claims. Upon the first of July next, these claims, beyond the foreseen available resources, will amount to the sum of $3000. The Permanent Committee assure us, that the sum *absolutely needed* for the next year is $10,000; and that $6000 more are required for the publication of the Tune Book, the Digest of the Assembly's Acts, the Chant Book, and a few minor works. They ask, and justly, that the Assembly should take some action that will relieve the Committee of their too onerous responsibility; individual members of the Committee having given their own notes to meet outstanding obligations.

In this state of the facts, your Committee have given to this subject their earnest consideration. The present seems to be a turning-point in respect to our whole publication interest, whether it shall live or die. Our whole Church is under the deepest obligations to our brethren in Philadelphia, for the zeal and self-sacrificing spirit with which they have carried out the injunctions of the Assembly, so far as they were able, in the midst of the serious financial embarrassments of the past year, and so slightly cheered by apparent sympathy from other quarters. And these brethren now ask of us, as a matter of common justice, some definite action and practicable plan.

Your Committee have considered the various projects and divers objections which have been suggested in respect to the whole subject. One plan proposed was, that the Permanent Committee should cease to publish, and simply recommend to one or more book-selling establishments such works and tracts as might be needed. This would

avoid the necessity of raising the capital for publication; but it would, at the same time, give the larger part of the profits to the booksellers; and the Assembly would also become involved, to some extent, in the vicissitudes of the publishing house, with which their contracts might be made. Another plan proposed has been, that the Committee should publish as far as their means allow, and make a contract with some publishing house for such other works as might be needed. If it should be found wholly impracticable to raise the required capital, and if the publication of the works is demanded, some such temporary arrangement might be made; though your Committee do not formally recommend it.

We are unanimously agreed, that the good faith of our Church is pledged to the Permanent Committee on Publication, not only for the carrying forward of the works already in hand, but also for the means of continued progress; though, for the next year, this must be to a limited extent. No new work of any magnitude can be begun before the present projects are safely completed. The payments pledged for this year upon the Church Psalmist must be met, or we are involved in a total loss of $3000, and also in the prospective loss of $1000 to $2000 annual revenue. The apparently large amount ($10,000) given for this work is justified, on the ground of its permanent value as a fund. Any desired alterations can be made, whenever the Assembly shall so order. The Digest of the Assembly's Acts, now ready for the press, will be a welcome, as it is a needed, work in our churches. The publication of the Tune and Chant Books, not being so urgent, may well be left to the discretion of the Committee and the state of the fund.

In conclusion, your Committee recommend the adoption of the following resolves:

1. That the sum of $16,000 be raised for the use of the Publication Committee, for the ensuing year; and that the sum be apportioned among our Synods in the same ratio as was the Church Erection Fund.

2. That the collection for this cause be made in all our churches on the third Sabbath in June; and that, if the sum of $16,000 be not realized by this collection, the Committee be authorized to employ agents for this purpose.

3. That, inasmuch as the time, appointed for this collection in behalf of the cause of Publication, occurs before the stated meetings of the several Synods, the Committee be directed to communicate to the pastors this action of the Assembly, with such information as will aid them in presenting the subject to their churches.

4. That the Annual Sermon on Publication be preached before the General Assembly of 1859, by the Rev. Albert Barnes, Principal, and Rev. S. M. Hopkins, D.D., Alternate.

5. That the appointment upon the Committee of Rev. William E. Moore, in place of Rev. A. H. H. Boyd, D.D., and Mr. Benjamin T. Tredick in place of Mr. Samuel H. Perkins, and Mr. John C. Farr in place of Mr. Samuel T. Bodine, be confirmed; and that Rev. Albert Barnes, Rev. N. S. S. Beman, D.D., Rev. Thomas Brainerd, D.D.,

Rev. Asa D. Smith, D.D., and Rev. George F. Wiswell, whose term of service expires, be reëlected as members of the Committee.

6. That the supplement to the hymns now in the course of preparation by Rev. N. S. S. Beman, D.D., Rev. Albert Barnes, and Samuel W. Fisher, D.D., be communicated to the Committee instead of the Assembly; and that the Committee be authorized to revise and publish the same.

The Committee appointed to prepare a Book of Tunes adapted to the Church Psalmist, presented the following report:

The Committee on the Preparation of a *Book of Tunes* respectfully report to the General Assembly, that the work intrusted to them is in progress and will shortly be completed. It was not until near the close of the last year that they received notice of their appointment by the Publication Committee. Shortly after, they addressed a circular letter to the ministers in connection with the Assembly, requesting them to confer with the leader of music in their respective congregations, and forward such information and suggestions on the whole subject as occurred to them. Numerous responses have been received, some of them of great value, and the most of them giving assurance of hearty coöperation in the work. From every part of the Church, almost without exception, the call has been made for congregational singing. "Give us the good old tunes that our fathers sung, the tunes that our children love, the tunes that all can use, in the worship of God." Such is the demand; and the Committee will endeavor to comply with it, fully persuaded as they themselves are that it is both Scriptural and reasonable. The work will be carefully prepared under the supervision of a competent professor of sacred music.

If the Assembly desire, as some have suggested, a Hymn Book with tunes incorporated, after the manner of the "*Temple Melodies*," it will be necessary for them to give the Committee specific instructions to that effect.

The report was adopted.

The Standing Committee on Church Extension presented a report in reference to the Annual Report of the Board of Trustees of the Church Erection Fund, which was adopted, and is as follows:

The Standing Committee on Church Extension, to whom was referred the Report of the Trustees of the Church Erection Fund, in reporting upon the same, would simply present the following resolutions:

Resolved, 1. That while we regard the whole course of the Trustees, during the past year, as worthy of our approval, we especially approve, in their disbursement of the Church Erection Fund, their rigid adherence to that portion of the Assembly's Plan which restricts the Board from loaning or donating any portion of the Fund to any congregation, unless such congregation own in fee simple and free from incumbrance the lot on which their house of worship is already, or is to be, erected. And we would recommend a rigid adherence to

this feature of the Plan, for the future, regarding such a course as especially adapted to secure an increasing confidence in the Assembly's Plan, and increasing donations from its friends.

Resolved, 2. That the following words be added to the first paragraph in section three of the Fourteenth Article of the Plan, namely, "And in case any church or congregation receiving a loan shall afterwards withdraw from the General Assembly, the whole amount unpaid shall at once become due."

Resolved, 3. That Messrs. Oliver H. Lee, William E. Dodge, and Walter S. Griffith, Trustees of the Church Erection Fund, whose term of office has expired, be nominated for reëlection, to hold their office till June, 1861.

The same Committee presented a report, in relation to the Annual Report of the Permanent Committee on Church Extension.

The following resolutions were adopted:

Resolved, 1. That the Assembly cordially approve of the resolution adopted at the late Special Meeting of the Board of Directors of the Society for the Promotion of Collegiate and Theological Education at the West, which was in these words:

"*Resolvéd*, That, in the judgment of this Board, the churches, connected with the denominations which coöperate in this Society, can render no more effectual service to the cause of Christian learning at the West, than to furnish the means for the speedy completion of the final effort in behalf of colleges in States east of the Mississippi."

Resolved, 2. That it be earnestly recommended to the churches connected with this body, to do their just share of what is necessary for the completion of this work.

Resolved, 3. That a regard to their own highest interest, and to the evangelization of the West, requires also, on the part of these churches, a prompt and generous response to the appeals of the Society in behalf of younger Institutions west of the Mississippi.

The Assembly proceeded to the consideration of the report of the special Committee on the Communications of the Presbytery of Harmony; and of the Commissioner from the "United Synod of the Presbyterian Church."

The report was adopted and is as follows:

The Committee, to whom were referred the communications from the Presbytery of Harmony, and from the "United Synod of the Presbyterian Church," beg leave to recommend the following resolutions as the action of the Assembly, in relation to these communications:

Resolved, 1. That this Assembly recognize and reciprocate the friendly greetings and fraternal spirit evinced in these communications, as well as in the Christian bearing and courtesy of the Rev. A. H. H. Boyd, D.D., the accredited representative of the United Synod.

Resolved, 2. That this Assembly regret the unnatural separation which these bodies have felt themselves constrained to create, by the action which they have taken, both because of our family affinities and sympathies, and because it weakens our ability, and diminishes our opportunities, for mutual aid and encouragement, in the great work for which the Church exists. We had hoped, that, by perpetuating our relations, by kind interchange of views, and mutual prayers, and by that light which time and patient inquiry secure, we should ultimately be of one mind touching the subject of Slavery, as we now are in relation to other moral questions.

Resolved, 3. That the consideration and adjustment of the claims to the funds of the Assembly preferred by the Presbytery of Harmony and the United Synod, be postponed to the next General Assembly for the following reasons: (1.) That suitable time may be given for a full examination of questions bearing on the equitable character, and of the legal consequences, of granting the claims preferred. (2.) That the Assembly may be able to ascertain what and how many churches under the care of the Presbyteries and Synods, which have withdrawn or may withdraw from our connection, may desire to retain their relations to the Assembly, and whose claim to a share in the distribution of the Church Erection Fund will consequently remain undisputed. (3.) That the final adjustment of these

claims, made as the result of due deliberation, mutual conference of the parties, and prayer to Him who giveth wisdom to his servants, may be satisfactory, if possible, to all concerned.

Resolved, 4. That the whole subject of these claims be referred to the Board of Trustees of the Church Erection Fund to consider and report thereon to the next General Assembly.

The Assembly resumed the consideration of the complaint of the Rev. Thompson Bird, in behalf of the Presbytery of Des Moines, against the Synod of Iowa, on account of their decision in the case of the Rev. James H. Shields, and all the parties in the case were heard.

Shields, the members of the inferior judicatory having retired, the roll was called and an opportunity given for every member to express his opinion.

THURSDAY, May 27th, 2½ o'clock P.M.

The Annual Sermon on Home Missions was preached, agreeably to previous appointment, by the Rev. Jacob Little, D.D., of the Presbytery of Pataskala.

After which, the Committee on Bills and Overtures reported Overture No. 1, relating to the preparation of a summary of Christian doctrine to be used in receiving members into the Church.

The Committee recommend the adoption of the following resolution: That, in view of the want of uniformity in the Formulas used by the churches, under the care of the General Assembly, in the reception of members, this Assembly propose and recommend a sum-

mary of the doctrines taught in our Confession of Faith; together with a form of covenant, and send the same down to the several Presbyteries, with directions to them to send their answers to the next General Assembly.

That a Committee consisting of three ministers and two elders, be appointed to draft such summary of doctrine and form of covenant, and report to this Assembly as soon as convenient.

The report was adopted. Rev. Samuel H. Gridley, D.D., Rev. Jacob Little, D.D., Rev. Peter Snyder, and Elders J. Marshall Paul, M.D., and Jeremiah Holt, were appointed the Committee.

The special Committee on the subject of Mileage presented a report, which was adopted, and is as follows:

The special Committee on *Mileage* beg leave to report,

That the arrangement of the matter referred to them is embarrassed by the facts, that so large a number of Presbyteries (43) have paid nothing to the fund; and that, of those who have paid, some fall short of the amount assessed, and others, having first paid the expenses of their Commissioners, give but a small amount to this fund.

The Committee can discover no method of relieving the present difficulty, that will not appear to press unequally on the Presbyteries who have contributed in whole or in part to this fund. But they recommend the adoption of the following resolutions, as adjusting the affair as equitably as possible:

1. Those Presbyteries which have paid in part shall have the privilege of paying their assessments in full until one o'clock to-morrow.

2. Those Presbyteries which do not pay in full may withdraw from the Mileage Committee the sums which they have paid, less 60 cents for each Minister in the Presbytery, which shall be retained by the Committee for the contingent expenses.

3. The amount in the hands of the Mileage Committee, received from the Presbyteries which have paid in full, after the deduction of a proper proportion to meet the contingent expenses, shall be divided *pro rata* among the Presbyteries which have contributed it.

4. Those Presbyteries which have paid nothing are required to pay now 60 cents per minister, for the contingent expenses, or to give to the Stated Clerk assurance that the amount shall be paid at a fixed time.

The unfinished business of the morning, viz., the consideration of the complaint against the Synod of Iowa, was resumed, and continued to the time of adjournment.

Adjourned until to-morrow, at 9 o'clock A.M.

Concluded with prayer.

THURSDAY, May 27th, 7½ o'clock P.M.

The Assembly met, agreeably to previous arrangement, in the First Presbyterian Church, for the celebration of the Lord's Supper;

and in union with a large number of Christians, who accepted the invitation to participate with them, united in the celebration of this ordinance.

FRIDAY, May 28th, 9 o'clock A.M.

The Assembly met, and was opened with prayer.

After the usual devotional exercises, the minutes of the last two sessions were read and approved.

The Committee, appointed to nominate Delegates to Corresponding Bodies, presented their report, which was accepted and placed upon the Docket.

The Committee on Bills and Overtures, reported Overture No. 3, A Memorial on the subject of Slavery, from the Presbytery of Franklin.

In reply, the Committee recommend the adoption of the following resolution:

Resolved, That this Assembly, while extending to the memorialists assurances of Christian consideration and regard, can answer their prayer only by referring them to the acts of past Assemblies, as being, in our judgment, all that the General Assembly can properly do on the subject of the memorial.

The report was adopted.

The Committee also reported, that a memorial from the Presbytery of Blue Earth has been placed in their hands, praying that a new Synod may be created, to consist of the Presbyteries of Blue Earth, Minnesota, and Dacotah, which last Presbytery is not now in connection with any higher ecclesiastical body. There has also been placed in the hands of the Committee a certified copy of a resolution by the Presbytery of Minnesota, concurring with said memorial from the Presbytery of Blue Earth. They have further received verbal information, from the Commissioner of the Presbytery of Minnesota, that it is believed that the members of the Presbytery of Dacotah are favorable towards the arrangement, though no definite communication has been received from the Presbytery itself.

The said Presbytery of Dacotah not being now under the jurisdiction of the Assembly, it is not competent for this body *absolutely* to create the proposed Synod according to the prayer of the memorialist. But inasmuch as it is urged upon the Committee that a strong necessity exists for the immediate construction of such a Synod, they recommend to the Assembly the following action:

Resolved, 1. That the Presbyteries of Blue Earth and Minnesota be directed to meet at St. Paul, Minnesota, in the First Presbyterian Church, on the second Wednesday of September, 1858, at 7 o'clock P.M., with the view of uniting, if the way be prepared, with the Presbytery of Dacotah, in the organization of a Synod.

Resolved, 2. That the Stated Clerk of the Assembly address a

letter to the Presbytery of Dacotah, inviting them to meet with the Presbyteries of Blue Earth and Minnesota, at the above time and place, and, if the way be prepared, to become incorporated with them in a Synod under the care of this General Assembly.

Resolved, 3. That, in the event of compliance with this invitation by the Presbytery of Dacotah, the Presbyteries of Blue Earth, Minnesota, and Dacotah shall then and there become a Synod under the name of the *Synod of Minnesota;* and that the Rev. Thomas S. Williams, or in case of his absence, the oldest minister present, shall preach a sermon, and preside until a new Moderator be chosen.

The report was adopted.

The following new apportionment of the Church Erection Fund was thereupon voted by the Assembly:

Resolved, That the apportionment of the Church Erection Fund be as follows for the next year, namely:

Albany,	2.5 per cent.	Ohio,	3 per cent.
Alta California,	6 "	Onondaga,	2.5 "
Cincinnati,	3 "	Pennsylvania,	3 "
Genesee,	2 "	Peoria,	5 "
Geneva,	2 "	Susquehanna,	3 "
Illinois,	6 "	Tennessee,	3 "
Indiana,	4 "	Utica,	2 "
Iowa,	7 "	Virginia,	3.5 "
Kentucky,	2 "	Wabash,	3 "
Michigan,	8 "	Western Reserve,	4 "
Minnesota,	6 "	W. Pennsylvania,	3 "
Mississippi,	2.5 "	West-Tennessee,	3 "
Missouri,	2 "	Wisconsin,	6 "
N. Y. and N. J.,	3 "		

The above apportionment takes one per cent from the Synod of Alta California, one from Peoria, one from Tennessee, one from Wabash, one from Iowa, and one from Western Reserve, and thus gives six per cent to the new Synod of Minnesota.

The Committee appointed to designate the Church and to nominate a Committee of Arrangements, for the next General Assembly, recommended that the sessions be held in the *Central Presbyterian Church* of Wilmington, Del., and that the Committee of Arrangements consist of Rev. George F. Wiswell, Rev. William Aikman, and Elders L. P. Bush, E. T. Taylor, I. W. Day, Hon. William Hall, Thos. C. Alrich, and John B. Porter.

The Assembly resumed the unfinished business of yesterday, viz., the complaint against the Synod of Iowa, and continued its consideration to the time of adjournment.

Adjourned until 2½ o'clock P.M.

Concluded with prayer.

FRIDAY, May 28th, 2½ o'clock P.M.

The Assembly met, and was opened with prayer.

The minutes of the last session were read and approved.

The Committee on Leave of Absence reported, that leave had been given to Rev. Edwin Hall, D.D., Rev. James Cochrane, and Rev. James McLaurin. Also to Messrs. Jarvis Carman, David Crouse, Daniel S. Bearer, Elias Kumler, Benjamin Bangs, Daniel B. Green, Henry D. Ranney, M.D., and Albert P. Brayton; and to Rev. E. J. Richards, Rev. William S. Karr, Rev. R. D. Hitchcock, D.D., Rev. J. Few Smith, D.D., and Rev. Daniel Russell; also to Messrs. H. N. Bushnell and B. D. Stewart.

The Assembly resumed the consideration of the unfinished business of the morning, viz., the complaint against the Synod of Iowa. Every member having had an opportunity to express his opinion in the case, the roll was called, and the complaint of the Presbytery of Des Moines against the Synod of Iowa, in the case of Rev. James H. Shields, was sustained by a vote of 106 to 52. Excused from voting, 1.

The Rev. Messrs. Theodore Spencer, James Eells, and John W. Dulles, with Hon. Arnold Naudain, M.D., and Thomas W. Fry, M.D., were appointed a Committee to prepare a minute on this case.

Resolved, That the thanks of this General Assembly be returned to the Illinois Central Railroad Company and its Managers, for the pleasant excursion afforded us on the line of their road on Saturday last; and also to the residents at Onarga and elsewhere, whose efforts and generous hospitalities contributed so fully to render the excursion pleasant.

Resolved, That we are highly gratified to learn of the enlightened efforts of this Company for the promotion of good morals, and the diffusion of a religious influence, wherever their operations extend—by the employment of a chaplain or missionary, whose office it is to secure the distribution of a pure and healthful literature, and the repression of one which is vicious, in and about their cars; and by generous endeavors to secure the establishment of Sunday-schools and churches in the different towns along their route; evincing that this Company is governed by the conviction, that religion is the basis of true prosperity in communities and in States; and that distinct efforts to secure its establishment are not without the scope of Companies whose first ends are of a secular character.

The Committee on Leave of Absence reported, that they had given leave to the Rev. Messrs. T. M. Hopkins, Milton Bradley, Israel S. Twombly, Benjamin Russell, and Augustus Pomeroy; and to the Elders Ebenezer B. Jones, Abraham Waugh, Ira Taylor, and Asa H. Holden.

The Special Committee on Foreign Missions presented their report, which was adopted, and is as follows:

The Committee, to whom was referred the Report of the Permanent Committee on Foreign Missions, together with a resolution and memorial on the same subject, recommend the following:

1. That the report of the Permanent Committee be approved. And we are grateful to God for the efficiency and harmony with which we have been enabled to prosecute the great work of Foreign Missions through the medium of the American Board of Commissioners for Foreign Missions.

2. That, in addition to the duties already devolved upon this Committee, it be made their further duty to ascertain, as far as possible, to what extent the churches in connection with the General Assembly are engaged in the work of foreign missions, and report the same to the next General Assembly. And that these missionary operations in which our churches are engaged, be made the subject of an annual report to the Assembly by this Committee.

In which reports, they shall spread before the Assembly such information as is calculated to excite and deepen an interest in this subject, and foster and develop the spirit of missions; giving the number of foreign missionaries of our Church who are in the field, the number of candidates for this work, the amount of annual contributions, so far as practicable, and the degree of interest which is manifested in this cause throughout our churches; together with the measure of success that has attended missionary effort; and communicate any information

which they can gain, that may stimulate and develop foreign missionary enterprise.

3. That the Presbyteries, through their Stated Clerks, or a committee appointed for that purpose, furnish to the Permanent Committee on Foreign Missions all the information on this subject that may be sought or they be able to furnish. And further, that the Presbyteries and Synods give special attention to this subject, adopting such measures as may rouse the spirit of missions among the churches.

And at this time, in view of the depressed state of the treasury of the American Board, we would exhort our people to increased liberality towards this great cause which is one arm of the Church of God on earth.

4. That the memorial on Mexico and Central and South-America, as a field for missionary labors, be referred to the Permanent Committee on Foreign Missions to report to the next General Assembly.

5. That a *Standing* Committee on Foreign Missions be annually appointed, who shall have charge of this general subject in the sessions of the Assembly.

6. That Rev. Edwin F. Hatfield, D.D., Rev. Asa D. Smith, D.D., Rev. John McLeod, Rev. James W. McLane, D.D., and Rev. Alfred E. Campbell, D.D., be elected to fill the places of those whose terms of office regularly expire at this time. And that the Stated Clerk be directed to inform the members of this Committee of the present action of the Assembly, that they may organize at as early a day as possible to carry out the object herein set forth.

A communication was received from a member of the Committee of Conference with the American Home Missionary Society. In connection with it a series of resolutions was proposed. Both of the papers were referred to a special Committee, consisting of Rev. Henry B. Smith, D.D., Rev. George W. Gale, D.D., and Rev. Daniel Clark, to report to-day at 3 o'clock P.M.

It was also resolved, that the report of the Standing Committee on Church Extension be considered in connection with the above report.

The Standing Committee, to whom was referred the Report of the Permanent Committee on Education for the Ministry, presented their report.

It was accepted; and, pending the question of its adoption, the Assembly adjourned until 2½ o'clock P.M.

Concluded with prayer.

MONDAY, May 31st, 2½ o'clock P.M.

The minutes of the last session were read and approved.

with the Assembly. The Delegate already appointed was instructed to present himself to the Synod of "the United Presbyterian Church," recently formed by the union of the Associate, and the Associate Reformed Presbyterian Churches.

The Committee on Leave of Absence reported, that they had given leave to Rev. Silas H. Ashmun, Rev. Caleb Mills, LL.D., Rev. Eli W. Beebe, Rev. Eleroy Curtis, Rev. James Sinclair, Rev. Philip Bevan, Rev. William C. Turner; and the Elders, William L. Lee, Zebulon Ostrom, James Deans, Lyman Dayton, and William Bothwell.

The Committee, appointed to prepare an arrangement of the Book of Psalms for chanting, reported in part, and were continued.

The Committee appointed to prepare a Minute in the case of Rev. James H. Shields, presented a report. After discussion, the whole subject was, with instructions, referred to a new Committee consisting of Rev. Samuel H. Gridley, D.D., Rev. G. R. H. Shumway, Rev. Lewis Hamilton, Hon. John Porter, and Mr. Charles Taintor.

The Assembly resumed the consideration of the unfinished business, viz., the report of the Standing Committee on Education. The report was adopted, and is as follows:

The Standing Committee, to whom was referred the Annual Report of the Permanent Committee on Education, report the following resolutions, and recommend their adoption:

Resolved, 1. That this Assembly find, in the practical workings of the plan for Ministerial Education inaugurated by the last Assembly, reason to regard it with increasing confidence, and consider it eminently wise and admirably adapted to develop the zeal and activity of the whole Church in this department of her duty.

Resolved, 2. That, in laying the foundation for this work in a living Christianity, and devolving the execution of it on individual churches and Presbyteries, the Assembly has proposed the most evangelical and effective method of accomplishing this enterprise.

Resolved, 3. That, while the responsibility of performing this part of her mission rests on the Christian parents and the individual members and elders of the Church, it also presses, with peculiar weight, on our ministers; and, from a becoming spirit and example in their daily labor, and a faithful and frequent presentation, to Christian parents and youth, of their obligations of covenanted consecration, the happiest results may be reasonably expected.

Resolved, 4. That it is deeply to be lamented, that the Saviour's command, "Pray ye the Lord of the harvest that he would send forth laborers into his harvest," has so extensively passed from the minds and hearts of his people; and this Assembly admonish all its ministers and churches of this neglect, earnestly exhorting them to give appropriate attention to it in their private, domestic, social, and public devotions; and especially to remember it at the Monthly Concert, as well as at the Annual Concert of Prayer for Educational Institutions, on the last Thursday of February.

Resolved, 5. That, inasmuch as a large number of Presbyteries

have disregarded the urgent recommendation of the last Assembly, (Minutes, page 389,) to forward full reports of their action in reference to Ministerial Education, this Assembly reädopts that recommendation, considering a faithful compliance with it, essential to a successful enlistment of the whole Church in this important enterprise.

Resolved, 6. That it is highly desirable, that the subject of the increase of the ministry should be annually presented to the churches, on the Sabbath preceding or succeeding the Annual Concert of Prayer for our Educational Institutions; that contributions be made on one of the Sabbaths above named, when it will not interfere with, or disturb, systematic arrangements already adopted; and that it is the high privilege and imperative duty of every church, however small or feeble, to contribute to this cause.

Resolved, 7. That it is the conviction of this Assembly, that a large and useful increase of the ministry cannot be secured without constant vigilance, on the part of the Presbyteries, in the introduction of men into the sacred office, in arrangements to direct their labors and facilitate their settlement, and in holding them to a just responsibility in the discharge of their work; and also without a disposition, on the part of the churches, to furnish it with an adequate and equitable support.

Resolved, 8. That this Assembly approve of the Act of Incorporation, obtained by the Permanent Committee of Education, from the Legislature of New-York, and of its acceptance by that Committee; and that said Committee, thus incorporated, is hereby cordially and confidently recommended to such persons as may be disposed to devote property to ministerial education, as a safe and responsible agency for its investment and disbursement.

Resolved, 9. That the Assembly recommend, as a general principle, that candidates for the ministry, especially those who are connected with churches under the care of our newer and smaller Presbyteries, retain their church and presbyterial relations unchanged during the progress of their studies.

Resolved, 10. That the Permanent Committee be directed to publish their Annual Report, or such portions of it as they may deem desirable.

The Committee also nominate William E. Dodge, Jr., as a suitable person to fill the place of Mr. Anson G. Phelps, recently deceased, and the following as suitable persons to fill the vacancies created by the expiration of office in the Permanent Committee, viz.:

William A. Booth, Rev. John Jenkins, Rev. James P. Wilson, D.D., Rev. A. E. Campbell, D.D., and Mr. P. H. Porter.

The Standing Committee on Education, in relation to the reports from the Union, Auburn, Lane, and Blackburn Theological Seminaries, would further recommend the adoption of the following minute:

That this Assembly rejoices to hear of the continued prosperity of these schools of the prophets, in the increased number of their students,

and the gracious visitation of the Spirit so richly experienced by those who are soon to assume the responsibilities of the sacred office; and most cordially commend these Seminaries to the sympathies of the Church, and the generous aid of those whom God has blessed with the means of placing them on a pecuniary basis, that will enlarge their usefulness and secure their permanence.

The Committee would also suggest the propriety of the adoption of the following resolution:

Resolved, That this Assembly expresses its deep conviction of the wisdom and necessity of placing our colleges on such a pecuniary foundation, as to accomplish most effectually the purpose of their establishment; and, inasmuch as they are an essential part of our educational system, it earnestly recommends, to the churches and presbyteries, the exercise of a wise discretion in the location of such institutions, and that they gather around those already established by pioneer faith and zeal, with a cordial sympathy and corresponding liberality.

The Committee on the case of the Rev. James H. Shields, presented a minute, which was adopted, and is as follows:

The Committee appointed to prepare a minute on the complaint against the Synod of Iowa in the case of the Rev. James H. Shields, report as follows:

In the year 1853, Maria C. Cowles presented a petition under oath to the District Court of Wayne County, Iowa, praying for a divorce from her husband, William A. Cowles, in which it was stated substantially, that she had been lawfully married to said Cowles in January, 1839, in the State of Massachusetts; that they had lived together there until August, 1851, when she separated herself from him, and proceeded to Iowa where she has since resided. That, previous to her departing from him in 1851, her husband was in the habit of becoming intoxicated, and when so intoxicated, was ill-natured and abusive—so much so, that her situation as his wife became intolerable; and she had been under the necessity of leaving his house and of making her own living since that time, the defendant having neglected to make provision for her support since the period of her separation from him. No pertinent proof of the truth of these allegations was made; but the Court, notwithstanding, granted her a divorce *a vinculo matrimonii;* when James H. Shields, then a member of the Presbytery of Des Moines, being cognizant of all the facts in the case, was married to the said Maria C. Cowles, and has continued to cohabit with her as his wife. In April, 1856, the Presbytery instituted proceedings against him for adultery, and finally convicted him of that offence, and deposed him from the ministry and excommunicated him from the church. Thereupon the said Shields appealed to the Synod of Iowa, who reversed the decision of Presbytery. The case is before this General Assembly on a complaint of the Rev. Thompson Bird, on behalf of the Presbytery, against the action of Synod.

In view of all the testimony brought before the Assembly, the complaint is sustained.

It has not been made to appear, that the said Maria C. Cowles

attempted to establish the fact of *adultery* against her husband, William A. Cowles. Neither has there been proved "*such willful desertion*" on his part, "*as can no way be remedied by the Church or civil magistrate*," as is recognized in the Confession of Faith (chap. 24, Sec. 6) as "*cause sufficient of dissolving the bond of marriage.*"

The General Assembly do, therefore, consider that the said James H. Shields was properly convicted of adultery; and the decision of the Synod of Iowa in this case is hereby reversed, and the judgment of the Presbytery of Des Moines therein confirmed.

The Assembly, whilst rendering this decision, takes occasion to call the attention of the churches under its care to a tendency, manifest in some portions of our country, to relax the sacredness of the marriage tie. Lying, as the institution of marriage does, at the very foundation of order, purity, and prosperity in the State and in the Church, the Assembly cannot view without abhorrence any attempt to diminish its sanctity or to extend beyond the warrant of the Holy Scriptures the grounds of divorce.

Mr. John A. Brown, Mr. Matthew W. Baldwin, Thomas Brainerd, D.D., Rev. George Chandler, and Mr. Samuel H. Perkins, were elected as Trustees of the Presbyterian House.

Messrs. Oliver H. Lee, William E. Dodge, and Walter S. Griffith, were elected Trustees of the Church Erection Fund.

Messrs. Christopher R. Robert, Samuel M. Blatchford, and George D. Cragin, were appointed the Committee to audit the account of the Treasurer of the Church Erection Fund.

Messrs. William E. Dodge, Jr., and William A. Booth, Rev. John Jenkins, Rev. A. E. Campbell, D.D., and Mr. P. H. Porter, were elected members of the Permanent Committee on Education for the Gospel Ministry.

Resolved, That it is inexpedient for the Assembly to proceed to the election of Trustees of the General Assembly, and of Directors of the Theological Seminaries for the present year.

Rev. George R. H. Shumway, Rev. Peter Snyder, and Mr. Joab Tyler were appointed a Committee to nominate a Preacher on Home Missions for the next Assembly.

The Assembly entered upon the consideration of the report of the Standing Committee on Church Extension, already accepted, which was continued until the time of adjournment.

The Special Committee on Home Missions, to whom were referred the documents on this subject presented this morning, reported. The report was accepted and placed upon the Docket.

The Committee on Bills and Overtures reported a memorial from several individuals of the Synods of Illinois and Peoria, asking that the bounds of these two Synods may be defined. The Committee recommend, that the request of the memorialists be granted; and that the boundary line of these two Synods be such as are specified in the memorial, as follows: The south line of the counties of Henderson, McDonough, Fulton, Mason, Tazewell, and Dewitt, the first township line south of Urbanna in Champaign Co., and the first township line north of Danville in Vermillion Co., Illinois.

It was moved to amend the report by making the Committee of Conference with the Home Missionary Society a permanent Committee.

The speakers were limited during the remaining sessions, except on judicial cases, to ten minutes.

TUESDAY, June 1st, 2½ o'clock P.M.

The Assembly met, and was opened with prayer.

The minutes of the last session were read and approved.

The report of the Standing Committee on Church Extension was adopted, and is as follows:

The Standing Committee on Church Extension, having examined the Report of the Permanent Committee on Church Extension, respectfully report,

That we observe with pleasure, that, notwithstanding the financial embarrassments of the year, the receipts of the Committee, including receipts for the same purpose by the Synod of Illinois and by the Presbytery of Monroe, have been nearly 100 per cent in advance of the receipts of the previous year; but we observe with pain, that the Committee have not only been obliged to refuse or postpone important applications for aid, but that they are indebted to missionaries for sums promised them, and which, in the language of the Permanent Committee, these missionaries, "Really and distressingly need." We cannot but approve the extraordinary efforts used by the Permanent Committee to meet these necessities, and only lament that they were not entirely successful.

Two memorials have been referred to us, one from an individual of long experience in the West, urging upon the General Assembly the management of our own Home Missionary work through our own ecclesiastical organizations, so admirably adapted to the purpose, and having such work among their legitimate and necessary functions; another from the Synod of Wisconsin, asking the General Assembly "To inquire into the Constitution of the American Home Missionary Society," and "also, whether the time has not come to adopt the rotating and more truly representative principle in the appointment of the Secretaries and General Agents of the American Home Missionary Society."

But, manifestly, these last matters, how deeply soever they may affect the interests of our churches, are matters in which the General Assembly has no power of interference. Important as are the interests at stake, our connection with all voluntary societies is not in General Assembly, but only that of individual churches and ministers acting voluntarily, so far and so long as they please, and on their own individual responsibility, with others of other denominations, who also act individually, and without responsibility to us. The General Assembly has no power to regulate the organization or action of such

voluntary societies, nor can it attempt such interference with any propriety, or hope of advantage.

With regard to the matter of the first memorial, the Committee would represent, that our Constitution (chap. 18) expressly recognizes the duty of the General Assembly to see, that necessary aid is furnished to its feeble churches, and to send missionaries to the destitute. These rights and duties are fully acknowledged. The General Assembly can never divest itself of these, nor wholly or finally devolve them upon organizations beyond its control, and, to the General Assembly, wholly irresponsible. It may, however, for the time being, judge for itself through what instrumentalities it can best accomplish the work. While we love our own Church, it has ever been our glory to love also all them that love our Lord Jesus Christ in sincerity, and to seek to coöperate with those who have a common faith with us, in all methods in which it seems possible best to subserve the interests of our common Lord. We have loved to coöperate with others, of a common faith though of different ecclesiastical preferences, in extending together, as far as possible, the Church of our Lord and Saviour among the new settlements; when, if each denomination had acted separately, people of a common faith must have been arrayed, in every village and hamlet, into different churches, each too feeble to sustain the institutions of the Gospel, and tempted by their very necessities to be mutually antagonistic and destructive. For these reasons, the General Assembly has loved, and still loves, to coöperate, so far as it can in consistency with duty to our own churches, with others in the great work of extending the institutions of the Gospel over the widely-spreading new settlements of our vast country.

It was, however, found by experience, that an important part of our duty could not be reached by an agency in common with others. Rules, necessary to that common agency, forbade relief in many cases where it was clearly our duty to furnish it; and, with no violation of the rights of others, with no unfaithfulness to any principle or engagement implied in our coöperation with others, but with the desire and purpose still to coöperate, so far and so long as that shall appear best for the cause of our Lord and Saviour, and consistent with our duty to our churches, the General Assembly organized the Church Extension Committee.

That Committee, in their Report for the present year, say, that, "The longer they are engaged in the work, the deeper is their impression of its importance." In such impression this Standing Committee fully shares. Many facts have come to our knowledge, while we have been investigating the matter, which show, more and more clearly, the necessity of such a Permanent Committee on Church Extension, and the necessity that its efficiency should be greatly increased.

We therefore recommend to the General Assembly the adoption of the following resolution, viz.,

Resolved, That, having good assurance that the past action of the Permanent Committee on Church Extension has been in accordance with the views expressed above, and believing that they will continue, as they have already done, to furnish aid in worthy cases which cannot

be reached by any agency in which we act in common with others, we commend their cause to the increased liberality of our churches, and earnestly desire that the efficiency of the action of the Committee may be greatly augmented.

The Committee also report, that the term of office of the following members of the Permanent Committee of Church Extension now expires, viz., Rev. George L. Prentiss, D.D., Rev. John C. Smith, D.D., Rev. Thomas J. Shepherd, Mr. Matthew W. Baldwin, and Mr. Edward A. Lambert.

The Committee recommend that the name of Rev. William Adams, D.D., be substituted for that of Rev. G. L. Prentiss, D.D., who is to be absent from the country, and that the other persons be reëlected.

The unfinished business, viz., the consideration of the report of the Committee of Conference with the American Home Missionary Society, was resumed. The report was adopted, and is as follows:

The Special Committee on the Documents relating to the Committee of Conference with the American Home Missionary Society recommend the adoption of the following resolutions:

1. That the Committee of Conference with the American Home Missionary Society be continued, and consist of the following members, Rev. Jonathan F. Stearns, D.D., Rev. Thomas Brainerd, D.D., Rev. William C. Wisner, D.D., Rev. D. Howe Allen, D.D., Rev. Harvey Curtis, D.D., Rev. A. Augustus Wood, D.D., (in the place of Rev. George L. Prentiss, D.D., resigned,) Rev. Thompson Bird, Mr. Cyrus P. Smith, and Mr. Norman White, and that four of their number constitute a quorum.

2. That this Committee report to the next General Assembly upon our general relations with the American Home Missionary Society; upon its appointment of agents and missionaries; upon the number of our churches and ministers aided by it; upon the amount contributed by our churches to its funds; and upon any other points of interest connected with our Home Missionary work; that we may come to a more full comprehension of our duties, and be aroused to greater zeal and liberality.

3. That this Committee, as far as is practicable, procure from our Presbyteries information as to Home Evangelization; and that our Presbyteries give diligent heed to this work, as far as is practicable, raising money to be expended within their own bounds, and seeing to it that annual collections for Home Missions be made in all their churches.

The Committee on Leave of Absence reported, that they have given leave to the following persons: Rev. Messrs. J. W. Dulles, Thos. H. Robinson, Wm. N. Sayre, Stephen H. Williams, Cyrenius H. Ransom, and J. G. Kanouse; Elders, H. D. Savage, Asa D. Moore, F. M. Fry, M.D., John Hartshorn, B. Hammil, Hiram Foster, E. P. Wilcox, and J. Porter.

The order of the day was taken up, viz., the consideration of the report of the Judicial Committee on the appeal of the Rev. George Sheldon.

Resolved, That the Minutes of the Assembly, with the usual Appendix, and the Reports of the Treasurers of the Permanent Committees, be printed under the direction of the Stated Clerk.

The Janitor's bill, the bills for printing and stationery, the traveling expenses of the Delegates to Maine, New-Hampshire, Wisconsin, and the Cumberland General Assembly, with the salaries and traveling expenses of the Stated and Permanent Clerks, were ordered to be paid.

The Assembly resumed the unfinished business of the afternoon, viz., the hearing of the Appeal of Mr. Sheldon.

Pending which, the Assembly adjourned until to-morrow at 9 o'clock A.M.

Concluded with prayer.

WEDNESDAY, June 2d, 9 o'clock A.M.

The Assembly met, and was opened with prayer.

After the devotional exercises, the minutes of the last session were read and approved.

In the absence of the temporary Clerk, Rev. G. R. H. Shumway was chosen Clerk *pro tem.*

The Assembly resumed the unfinished business, viz., the consideration of the Appeal of the Rev. George Sheldon.

The original parties having been fully heard, the roll was called, and opportunity was given to the members of the Assembly to express their opinions on the case.

After which, the final vote was taken, and the Appeal was *not sustained*, nineteen voting in the affirmative and fifty-four in the negative.

Hon. Arnold Naudain, M.D., and Thos. Farnham, were excused from voting.

Rev. H. A. Rowland, D.D., in behalf of himself and others, gave notice of a protest against the above action.

Adjourned to meet at 2½ o'clock P.M.

Concluded with prayer.

WEDNESDAY, June 2d, 2½ o'clock P.M.

The Assembly met, and was opened with prayer.

The minutes of the last session were read and approved.

Resolved, That the thanks of this Assembly be specially tendered to the Chicago and Milwaukee Railroad Company, for their courtesy in the pleasant excursion afforded us to Lake Forest on Saturday, the 22d ult.

Resolved, further, That this Assembly highly appreciate the very delicate and generous invitation of the Rock Island Railroad Company, through Henry Farnum, Esq., to visit the Mississippi River, over their road, at our convenience; and that we return our thanks for their kindness.

The following protest was ordered to be entered upon the minutes:

We, the undersigned members of the General Assembly, feel constrained to protest against the decision of the General Assembly, in not sustaining the Appeal of Mr. George Sheldon, for the following reasons, viz.:

1. It is shown by the records in the case, that Mr. Sheldon failed to appear on the second citation, and that the Presbytery, instead of immediately suspending him for contumacy according to the rule of our Discipline, Chapter 5, Section 11, merely passed a vote of censure, and proceeded, not only to take testimony, but to issue the whole case upon its merits in the absence of the accused. In allowing a judicatory to take testimony in the absence of the accused, our Book of Discipline does not authorize them to try and issue a case, but only to take

the testimony in order to preserve it on record, in case the man should repent of his contumacy on a third citation, and submit himself to trial.

The course of the Presbytery should have been, to suspend Mr. Sheldon for contumacy on the second citation, and then, when he appeared on a third citation, the Presbytery could have removed the sentence of suspension for contumacy, and given him a fair trial.

But, instead of this course, the Presbytery tried the case during Mr. Sheldon's absence, and found him guilty of the charge on merely *ex parte* testimony. And then, when Mr. Sheldon appeared, prepared with testimony in his defense, it was not admitted, nor put on record. He was not, therefore, tried according to our Form of Government; and any evidence adduced by him, touching his guilt or innocence, was entirely excluded from the record.

All of which is contrary to the principles of our Form of Government, and to the past decisions of the General Assembly, especially in the case of the Rev. Dr. Craighead, of Kentucky, A.D. 1806.

2. In the evidence on record before the Presbytery, when parts of several letters of Mr. Sheldon were given and allowed in evidence, the Presbytery should have required the whole documents in the case; and also when part of the record of the court was admitted, the testimony, on the ground of which the divorce was sought to be obtained, was ruled out. And the Presbytery proceeded upon these partial extracts to form a decision, when the whole document, if allowed in court, or produced there, might have given an entirely different construction to the parts read.

All of which is contrary to the established legal principle, that the best evidence to be had should be demanded in every case; and that, when parts of a document touching any subject are introduced in evidence, the whole document must be admitted.

3. So many and great were the irregularities in this assumed trial, as to enable the General Assembly to form no proper judgment of the real merits of the case. And, on account of these irregularities, the case should have been remanded for a new trial.

On these grounds we protest against the action of the General Assembly, virtually confirming the act of deposition pronounced against Mr. Sheldon, as being contrary to the former decisions of the General Assembly, contrary to the established practice of our judicatory, contrary to the personal rights of Mr. Sheldon, and derogatory to the honor of Jesus Christ as represented by his Church in the highest judicatory. And, because we are unwilling to be thought consenting to such action, we here respectfully enter our solemn protest, and pray that it may be admitted upon the Minutes of the Assembly.

Rev. H. B. Smith, D.D., Rev. G. S. Boardman, and Elder Lyman Wilder, were appointed a Committee to answer the above protest.

A communication was received from the Rev. Samuel H. Cox, D.D., in behalf of the Ingham University, over which he presides, commending that institution to the favorable regard of this body; whereupon, it was

Resolved, That this General Assembly hear with pleasure of the present prosperous condition and high promise of the aforesaid University, and cordially commend it to the patronage of our churches.

The Committee appointed to answer the protest of Rev. H. A. Rowland, D.D., and others, presented a report, which was adopted, and is as follows:

In answer to the protest against the decision of the Assembly in the case of George Sheldon, the Assembly make the following statement:

1. The action of the Presbytery in the case was irregular, only technically, and not in such a sense as to vitiate the substantial justice of the result. The case had been on trial during a period of some three years, and ample opportunity had been given in this period for the accused to defend himself.

2. Although it is asserted, that only extracts from Mr. Sheldon's letters were admitted in evidence, yet it appears that one letter, and the most important one, is given in full; that the extracts from the other letters are undisputed, and that these fairly and clearly present the truth in the case.

3. As to the alleged new evidence, it appears that it was before the Judicial Committee of the Presbytery, and read in full before the Synod, and was unanimously decided by these judicatories to be no ground for reopening the case; and it also appears, that this testimony is wholly irreconcilable with statements made by Mr. Sheldon in the letters above referred to.

4. Inasmuch as the Assembly, after a full hearing of the case, by a vote of more than two thirds, decided that there have been no material deviations from the rules of the Book of Discipline for conducting judicial cases, it is deemed unnecessary, at this late hour of their sessions, to reply further to the allegations of the protestants.

The minutes of the session were read and approved.

The calling of the roll was dispensed with.

The business of the Assembly having been finished, and the vote having been taken for the dissolving of the Assembly, the Moderator with prayer and the Apostolic benediction, declared the Assembly dissolved; and required another General Assembly, chosen in the same manner, to meet in the Central Presbyterian Church, in the city of WILMINGTON, Delaware, on the third Thursday of May, 1859, at 11 o'clock A.M.

APPENDIX.

I. Annual Narrative

OF THE

STATE OF RELIGION

WITHIN THE BOUNDS OF THE

PRESBYTERIAN CHURCH

IN THE

UNITED STATES OF AMERICA.

MAY, 1858.

THE closing sentiment in the Narrative of ths last year, was the desire, expressed by several of our Presbyteries, for the revival of God's work. The cheering intelligence which now reaches us from every part of the land, is the realization of this desire. The almost prophetic *aspiration of the past*, "We trust, that the period is not distant, when this state of actual, general, glorious revival shall be ours," *is the fact of the present.* We trace a most manifest connection between the intense longing breathed throughout the whole Church a year ago, and the marvelous work of grace that we are now enjoying. It has truthfully been said that, "Next to a state of actual revival is the sense of its need, and the struggle to attain to it, at any sacrifice of treasure, toil, or time."

GREAT AWAKENING.

The meeting of the present Assembly occurs in the midst of what has been very properly styled "The great Awakening." In this remarkable work of grace, our own Church has shared, and is sharing, largely; so that, with gratitude and rejoicing, we mention it as the chief feature of the Narrative. The members of the Assembly have

come from scenes of revival, to mingle in a revival progressing in the place of meeting. This wave of blessing is rolling over the land. Already it has reached every Presbytery within our bounds; and there is scarcely a church that has not felt, in some degree, its cheering influence. One of our largest Presbyteries says: "The reports which reach us from our churches are such, that our emotions find most appropriate utterance in the words of the Psalmist: 'When the Lord turned again the captivity of Zion, we were like them that dream. Then was our mouth filled with laughter, and our tongue with singing. Then said they among the heathen, the Lord hath done great things for them, the Lord hath done great things for us, whereof we are glad.' There is not, within our bounds, a single church in which the tokens of the divine presence have not been distinctly seen; although in several there has been no general awakening and turning to God. In many, the work has been one of unwonted power."

ORIGIN OF THE WORK.

This Pentecostal season manifested itself at an early period of the present year, in a remarkable degree, in the city of New-York. This great heart of the country now became the fountain of religious life, sending out its currents to the extremities. Its influence spread most rapidly. Individuals from the east and the west, from the north and the south, came to this business centre, and, like the men of old who visited Jerusalem, they were filled with the Holy Ghost, and returned home to kindle the sacred flame at their own altars, and in the places where they dwelt, until the holy fire was lighted in almost every city and village of the land, where it is still burning more or less brightly.

We do not attribute this revival to any one human instrumentality. It is most manifestly the work of God. "This is the Lord's doing; it is marvelous in our eyes." One of the most carefully prepared Presbyterial Narratives says: "No cause of sufficient power for the production of such results was visible. No Edwards of resistless force in argument; no Whitefield of commanding eloquence; no Summerfield or McCheyne of impassioned feeling, was raised up to be the herald of the Lord. The more we study this work, the more deeply is the truth impressed upon our minds, *This is the work of God.* God works in secret and mysteriously, when he awakes from its deathlike slumbers the kingdom of nature, and renews the face of the earth; and when he quickens into holy life those who were dead in trespasses and sins.

"In the financial revulsion which preceded this awakening, this truth is equally illustrated. Men were forced to the acknowledgment, *This is the hand of God.* The perplexities, the reverses, and the losses, which attended it, demonstrating so clearly the instability and the insufficiency of earthly good, exerted, we doubt not, a most salutary influence on thousands, preparing the way for the operations of the Divine Spirit. They were the wind, the earthquake, and the fire, after which, came the still small voice."

CHARACTERISTICS.

We find, in the Narratives, a marked uniformity, as to the main features of this revival. A Presbytery in the East says: "The general characteristics of this great work of grace have been singularly uniform, in nearly all our churches. There has been less than usual of overpowering excitement, both in the experience of Christians and in the exercises of the awakened; but much clear conviction of sin and ruin, calm submission to the will of God, and simple faith in the atoning blood of Jesus Christ."

A Presbytery in the West gives the following as characteristic features of the work:

"1. There is a larger proportion of males and adults among the converts, than in former revivals.

"2. There appears to be a universal readiness among the new members, to take part in the exercises of the prayer and conference meetings.

"3. The fact that so many conversions seem to be in answer to special prayer, is another noticeable characteristic.

"4. Another feature of the work among us, is the increased amount of *lay labor* which has been called forth. A new lesson of love and obedience has been learned by many. They now feel that they have not been called into the Church merely to *enjoy themselves*, but to *serve Christ.* They do not so much regard the Church as a ship in which they are to be carried safely and pleasantly to heaven, as a vineyard in which they are to labor.

"Some members of long standing in the Church have recently ceased to consider themselves as passengers, and have become workers; and the new converts are generally asking, 'Lord, what wilt thou have me to do?' rather than saying, 'I pray thee have me excused.'"

INSTRUMENTALITIES.

One of the instrumentalities, employed with much success, has been Systematic Visitation. This prepared the way for this wonderful display of divine power, and it has proved to be also a most efficient agent in carrying it forward. One of the Presbyteries says: "In the important work of districting the city, and of systematic visitation, for the ingathering of attendants to the sanctuaries and Sabbath-schools, our churches have engaged in connection with others with good success." Another says: "That a Young Men's Christian Association has explored the district in which the church to which it is attached is located, with reference to its thorough evangelization, visiting 20,000 persons, and reducing the results of their investigations to tabular forms; thus making them of permanent value."

The Presbyteries bear united testimony to the happy influence exerted by *union prayer meetings*, in quickening believers, in awaken-

ing sinners, and in leading them to Christ. "The prayer-meeting," says one, "always so important, has occupied an extraordinary place in the instrumentalities employed. The prominence given to the prayer-meeting has indeed, with us, as throughout the country, been one of the unusual features of this work of grace; and, in connection with it, there has been a development of the piety and ability of the members of the Church, which will, no doubt, be one of the most blessed and permanent influences of the revival. So abundant and so remarkable have been the answers to prayer, that skepticism itself has been silenced, if not convicted; while faith has learned how to say to the mountain, 'Be thou removed,' and to find 'nothing impossible.'"

"God has honored the ordinary means of grace. There has been no demand for new agencies, such as evangelists and revival preachers, technically so styled; and but little demand for pulpit ministrations beyond the strength of the pastors. The work in our churches has thus been directly under pastoral supervision. To no one class of truths has special prominence been given in preaching. The claims of the law of God, with its solemn sanctions; the pollution, the guilt, and the ruin of man; the atoning work of Christ; the sanctifying work of the Spirit; the fullness and the freeness of the Gospel offer, have each been exhibited in turn, with great simplicity and earnestness; and, in view of the results of this preaching, we can say with the apostle, 'I am not ashamed of the Gospel of Christ; for it is the power of God unto salvation to every one that believeth.'"

PROGRESS.

The Narratives indicate, with scarcely an exception, that this blessed work is still going on. "In its progress, we have been forcibly reminded of the words of our Lord: 'The kingdom of God cometh not with observation; neither shall they say, Lo here! or lo there! for, behold, the kingdom of God is within you.' In impressive grandeur, and in the richness of its blessings, it burst upon us, as in a moment. The Lord whom we sought came suddenly to his temple, revealing himself as 'mighty to save.' The awakening spread so rapidly from point to point, that it seemed to be in these various centres almost simultaneous." A Presbytery at the East says: "The work has not ceased; its power is now displayed less in conversion, more in edification." In another Presbytery, "This work is represented as still going on; in some cases it is deepening in interest." Another, situated at the southern limits of our Church, says: "The Presbytery has shared and is sharing richly in the work of the Holy Spirit." In one of the most carefully prepared Narratives from the West, we have the following language: "The work of grace is not reported in any instance to have abated; new cases of interest are daily occurring." A Presbytery, occupying a central position, says: "In some of our churches the work is manifestly progressing; and in others, while

there may be less to arrest the eye, we rejoice to know that there is a strong under-current of religious feeling and action, from which we may look for important results hereafter."

RESULTS.

The time has not yet arrived for giving the statistical results of this general outpouring of the Holy Spirit. It is now harvest time; the work of ingathering has been commenced, but not completed. Many sheaves have already been garnered; a larger number yet remain to be gathered in. The Narratives give the results of this glorious work in such statements as the following: "Some churches have been kept from extinction;" "others have doubled their numbers." There is perhaps scarcely a church within the bounds of the Assembly that has not, in some degree, been strengthened.

After a somewhat careful examination of the reports placed in our hands, we think that it may safely be said, that three fourths, if not four fifths, of our churches have been actually revived, and have already added or will soon add to their number of members; and, in many instances, a large increase is indicated. Says one: "In fruits already gathered, there has been an advance of nearly twenty per cent; and yet it is supposed that, when the already ripened sheaves shall be garnered, there will be an increase of forty per cent to the membership reported last year." Another Presbytery says: "That, in consequence of the revival, several of its churches have received, or will receive, an addition to their membership, varying from five to fifteen per centum; while upon Shelter Island, probably one half of the entire population may now be numbered among the disciples of Jesus." The result is thus described in another section: "The Presbytery has added during the year, and mostly during the last three months, one fourth to its entire membership. Some of our churches have doubled their numbers, and considerably more than doubled their strength." Another Presbytery reports, "over three hundred added to its churches during the winter, on profession." A Presbytery in a different section of the country says: "Large additions have been made to the churches by profession; and they will yet increase more and more." In the eight churches in the bounds of another Presbytery, an aggregate of over two hundred accessions to the Church of Christ is reported. Another Narrative states that, "This revival has gradually extended throughout the bounds of our Presbytery, until almost none of our churches have been left unblest by its holy influences." "While mere statistics can never be the measure of such divine harvests; yet it ought to be made known, to the praise of God, and to inspire the gratitude of his people, that, during the past year, and almost wholly as the result of the present awakening, over seven hundred souls have been hopefully added to the number of the Lord's redeemed, and enrolled on the records of the churches of this Presbytery."

INFLUENCES.

It is impossible to measure the influence that this great revival has exerted, is now exerting, and is yet to exert, upon the *Church* and the *world.*

1. *On the Church.*

Its mighty tide-wave is rolling on, widening and deepening in its course, until it shall break upon the shores of eternity.

It is not to be expected, that its outward manifestations will continue; but its power, its internal life, will remain in the Church. The great awakening, that occurred in connection with the labors of Whitefield and his coädjutors, left its impress upon the Church; its influence has come down to us, and we feel its power. The Church was then lifted into a higher position, and clothed with new energy. The influence of the present awakening, we believe, will be still more salutary and permanent upon the Church. Never, in the same space of time, has the Church advanced so much in living energy and abiding power. She has taken another step upward. The moral grandeur of her position, and the majestic force which, under God, she has been enabled to wield, have given her a deeper hold upon the hearts and consciences of all classes, than perhaps she ever had before.

The piety of her members, and of those who have recently joined her ranks, has put on a higher and more active type. Instead of manifesting itself in mere expressions of emotion, it has been energetic in leading sinners to Christ. So that we may confidently hope, that in this "quickening of the Church," in the development of the working and praying power of the laity, in the increased spirit of consecration, and in the awakening and conversion of sinners, the present interest is but the inauguration of a perpetual and grand REVIVAL ERA. We receive these mercy-drops as but the herald of the coming shower; and we cry to our people: "*Verily, there is a sound of abundance of rain!*" We hail this awakening as but the voice of John the Baptist, crying: "Prepare ye the way of the Lord!" The power of the Church has been augmented, to cheer us when we were ready to be discouraged in relation to the moral condition of our country. We shall yet witness the confirmation of our hopes; and, from this land, light, liberty, and salvation shall go out in every direction.

Seamen as well as landsmen have been the subjects of this blessed work. Noon-day prayer-meetings have been held on board of our large ships while crossing the ocean; the song of praise, and the voice of prayer, have gone up from the forecastle, and these weather-beaten sailors have carried the glad tidings to other nations. So that we can almost say, in the language of Cowper,

> "The dwellers in the vales and on the rocks
> Shout to each other; and the mountain-tops
> From distant mountains catch the flying joy,
> Till nation after nation, taught the strain,
> Earth rolls the rapturous Hosanna round."

2. On Ministerial Supply.

The Church of Christ has suffered for years, because the supply of ministers was not equal to the increased, and constantly increasing, demand. God has now taken this matter into his own hands. This general Baptism of the Holy Ghost, this wonderful turning to God on the part of the young men throughout the country, will multiply the number of candidates for the ministry, and give those who enter it a more entire consecration to the service of their divine Master.

It is reported that a large number of the students at Yale and Amherst Colleges have already been converted; and that at Beloit College seventy are hoping in Christ, thirty-six of whom are studying for the ministry. Other institutions of learning have also shared largely in this work of grace.

3. On a Christian Literature.

The influence of this revival will be seen in its effects upon a Christian literature. It has already called into existence religious papers, periodicals, and volumes, that breathe its spirit, and that will preserve the records of its wonderful power. The secular press has, with scarcely an exception, whether in sympathy with it or not, been compelled to speak of it with respect, and to chronicle its mighty achievements. It will purify, elevate, and give a more decided religious character to the reading of the age.

4. On Christian Doctrine.

It will vitalize Christian doctrine. The forms of orthodoxy will breathe with a new life. Truth will be viewed less in the abstract, more in the concrete. Religion will be regarded not merely as a belief in creeds, but as a life; the Bible, as a book not merely designed to teach systematic theology, but as containing great truths adapted to meet the wants of the soul. The aim of the ministry, more than ever, will be to present the doctrines of grace, in the living logic of a mind inspired with their deep philosophy to meet the world's reason, in the living rectitude of a mind inspired with their goodness, to meet the world's *conscience*, in the love of a mind inspired with Christ, to meet the wants of the *world's soul*.

5. On Coöperative Christianity.

It has brought those connected with different religious sects to labor and pray together, not merely as members of any one denomination, but as *Christians*. Its bearing has been most marked in the influence already felt, and yet to be exerted, on a coöperative Christianity. At times, perhaps, our faith has wavered, in regard to the conversion of the world; but when we see Christians laying aside their minor differences, and combining their influence and energies for the salvation of souls, we are ready to thank God, and take courage. When we see the statement, based upon a careful examination of statistics, that in our own country, within one week, during the present revival, fifty

thousand have hopefully been converted to God, we need not be in doubt in regard to the way in which the world is to be converted, or have any fears about the fulfillment of the predictions referring to the future triumphs of the Church. In this wonderful display of Divine power, we see how the latter-day glory of the Church is to be ushered in. The millennium may be even now breaking upon our enraptured vision. "Glorious things are spoken of thee, O city of God!"

LESSONS.

The instructions, growing out of this remarkable work of grace, are *important* to the Church and the ministry. This blessing came to encourage her members and her ministers, and to inspire them with new confidence in the power of Christ. It has been abundantly verified, that "he that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." Our faith in the efficacy of the ordinary means of grace has been greatly strengthened. "God has honored his own chosen instrumentalities, the preaching of his ministers, and the prayers of his people." We have been taught anew our dependence upon the over-ruling Providence and the Spirit of God.

The words of Peter, when accounting for the first revival in the Christian Church, are eminently descriptive of the present divine work: "Therefore, being by the right hand of God exalted, and having received of the Father the promise of the Holy Ghost, he hath shed forth this, which ye now see and hear."

Another lesson taught is, that a condition of spiritual life in the Church is one also of great external prosperity. It is a law of life to work outward, and build for itself a body, a habitation to dwell in. This vital force sets all the machinery of the Church in motion, for the Spirit of the living God is in the wheels. We should naturally expect, therefore, to find what the Narratives of the different Presbyteries within our bounds actually reveal: that new church edifices have been erected, while others have been enlarged and improved; in some cases, debts have been diminished or paid off; new churches have been organized; and in some instances, new Presbyteries have been formed. Notwithstanding the financial pressure, "the contributions to the various objects which have usually received the patronage of our churches, have fallen but little below those of the previous year," and in some instances they have been enlarged. A lively interest is manifested by the Presbyteries in the plans adopted for extending the borders, and increasing the efficiency, of the Church, that she may meet her weighty responsibilities. The following language of one may be regarded as the sentiment of the whole: "As a Presbytery, we heartily sympathize with the General Assembly in its action relative to Ministerial Education, Church Extension and Publication. We express our deep conviction of the importance of energetic, united efforts in the departments referred to, and our confidence in the wisdom of the plans of action adopted by the Assembly."

There has been a great increase in the number of persons attending upon the public worship of the sanctuary, as well as in the number of those who have been willing to engage in giving instruction in the Sabbath-school. New schools have been formed, while those already existing have increased in numbers, and many of the scholars been led to Jesus. Catechetical instruction is receiving the more general attention of pastors and others, and many youth enjoy the benefit of a systematic and thorough training in this important department.

Such mercies, as we are thus permitted to record, may well call forth "thanksgiving and the voice of melody." They offer precious encouragements to prayer and faith, and spiritual labor. We would be animated by the goodness of the Lord to more cheerful self-denial; we would be won to a more complete consecration to the will of our blessed Saviour.

In the name of the Divine Master, we would exhort the churches to seek still greater mercies from Him whom giving doth not impoverish. "There remaineth yet *very much* land to be possessed." How many children of the covenant are yet unregenerated! How much greater are the multitudes still unreached, than the converts over whom we give thanks! while an illimitable heathen world is still shrouded in its almost unbroken darkness. To the churches we say: "Pray for the peace of Jerusalem! they shall prosper that love thee!" Unto God we pray: "Do good in thy good pleasure unto Zion; build thou the walls of Jerusalem."

Truth is eternal. The Church lives. Never before has she furnished more conclusive evidence of her power to overcome every obstacle in the way of her universal triumph. But we are reminded of the solemn truth, that her sons die. Those who have finished their earthly course say to us: "Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom in the grave whither thou goest."

I. Correspondence.

THE REPORTS OF DELEGATES.

I. To the General Conference of Maine.

According to the appointment of the General Assembly, I attended the annual meeting of the General Conference of Maine, held in Bath, June 23d, 1857.

Your Delegate was very cordially received on the second day of the meeting. The Fiftieth Anniversary of the Maine Home Missionary Society was held. A brief view of its operations for this period was presented by its Secretary. One of its founders was present—Rev. John Sawyer, of Bangor. In his great age, being one hundred and two years old, he came many miles to attend this jubilee. Having been in the service of the Society until within a few years, he had watched its operations with great interest. He addressed the Society with earnestness and effect. This Society has done a great work, and is regarded with deep interest. Many of the churches in Maine are feeble, and, on account of constant emigration to the West, need constant assistance.

Various benevolent objects received attention during the meeting of the Conference.

Your Delegate, in the few minutes allowed him, endeavored to exhibit the plans and operations of the General Assembly, to show that they furnish no just ground for complaint, and that there is nothing in them which need disturb the fraternal intercourse of the two bodies, or prevent their coöperation in the general causes of benevolence. The action of the General Assembly on the subject of slavery was highly approved.

The Conference, in all its deliberations and actions, exhibited a delightful spirit, and signified its desire for the continuance of correspondence, by appointing as Delegate to the General Assembly, Rev. W. Parker as Primary, and Rev. S. Thurston as Substitute.

All of which is respectfully submitted,

JOHN TOMPKINS.

Marcellus, April 22d, 1858.

II. To the General Association of New-Hampshire.

The undersigned, agreeably to his appointment by the General Assembly of 1857, attended the last annual meeting of the General Association of New-Hampshire, held at Keene, in August last, and was received with fraternal kindness by that body.

The meeting of the Association was large—nearly every district Association being represented. Their services, consisting of Reports on the state of religion from every part of the State, and from corresponding bodies, the anniversaries of the different benevolent societies, and the religious exercises, were of a highly interesting character.

Many of the churches represented in this Association have been greatly weakened by emigration; and large districts of country are almost destitute of the means of grace. But a missionary spirit seems to be awakened throughout the body, which says, "To the destitute and perishing the Gospel must be preached."

Among the pastors in this body is the Rev. Laban Ainsworth, who was settled in Jaffrey in 1782, and has thus been the pastor of that church 76 years.

On the subject of church extension, which, in 1856, threatened to interrupt the correspondence between these bodies, your Delegate is happy to state, that a better understanding seems to exist. He assured the Association, that in the General Assembly there is a healthy, Christian, denominational feeling. But there is no disposition to trespass upon the rights of other denominations; or in any way to injure them to extend her influence. He gave the Congregational brethren the credit of being a little *in advance* of us—of "spreading themselves" in the Great West by multiplying their churches. But the General Assembly, so far from complaining, is resolved to *imitate their example*—and with the hope that the "West" will soon be well supplied with the means of grace. The discussion of this question was spirited, interesting, and pleasant; and your Delegate hopes that all felt that that branch of the Church that goes "*in advance of all others*" to give Christian institutions to the destitute, most honors Christ.

The whole subject was referred to a Committee to report next year.

With perfect unanimity a Delegate was appointed to represent the General Association in your sessions in Chicago in May next.

All of which is respectfully submitted,

J. PARSONS HOVEY.

New-York, April 23d, 1858.

III. To the General Convention of Vermont.

The General Convention of Vermont, to which I was appointed a Delegate by the last General Assembly, held its annual meeting in Bennington, June, 1857.

Its deliberations were characterized by a catholic spirit, and an earnest purpose to meet the exigencies of their own particular field.

The different departments of Christian benevolence were duly represented and commended.

The work of Home Missions was pressed with special force, and the necessity for vigorous endeavors to reach, with the preached Gospel, the many thousands found in even Christian Vermont, who know little or nothing of the sanctuary, was presented in the startling statistics of a report, the result of a laborious and minute investigation.

We might well follow their example in both these particulars; and if we should adopt some of the leading features in their plans for Home Missions and Church Extension, it would be in advance of any thing we have yet done.

The Convention expressed, through their Moderator, Rev. Dr. Child, their pleasure in a fraternal correspondence with the General Assembly, and desired its continuance.

A. BORDMAN LAMBERT.

Salem, N. Y., May 20th, 1858.

IV. To the General Association of Massachusetts.

The undersigned, appointed by the General Assembly at Cleveland, a Delegate to the General Association of Massachusetts, would respectfully report, that he attended the meeting of the above-named Association at Belchertown, Mass., on the 23d of June last, and was most cordially received by the members of that body.

Previous to the statements made by your Delegate, the Association, by a vote nearly or quite unanimous, decided to continue the correspondence with the Assembly. It was evident that this unanimity was secured by the recent action of the Assembly on the subject of Slavery. Your Delegate felt it his duty to state as his opinion, that the General Assembly occupied the same ground as heretofore, and that the Association could no more be justified in cutting off correspondence with us before, than since this last vote—for we had always borne decided testimony against the evils of Slavery; the teachings of the Presbyterian Church on this subject having been uniform from the beginning of its history. In regard to the proper course of action, we must be allowed to be our own judges.

Your Delegate expressed his opinion that our branch of the Presbyterian Church was developing a healthful and necessary denominational spirit—not a sectarian zeal—but a proper regard for its own existence as a distinct branch of the Church of Jesus Christ, and a sense of the responsibility laid upon it to advance the interests of spiritual religion, by multiplying its own churches and securing the greatest efficiency in all its institutions.

The reports, made to this Association, of revivals during the year, were full of hope and promise. These visitations of mercy had been

general, but so quiet and so commonly under the ordinary ministrations of the Gospel, as to have excited but little attention; and yet now, when the whole result was seen, it was manifest that the year had been indeed a pentecostal season.

The religious services of the Association were made especially solemn by this evidence of the presence of the Holy Ghost with power.

All of which is respectfully submitted,

A. T. CHESTER.

Buffalo, August 11th, 1857.

V. To the Presbyterian and Congregational Convention of Wisconsin.

Having been appointed as a Delegate to represent the General Assembly in the Presbyterian and Congregational Convention of Wisconsin, I attended the session of the Convention which was held at Oshkosh, on the 1st day of October last.

As the representative of the General Assembly, I was received with great cordiality, and treated with marked courtesy. The ministers of the Convention were mostly in the very vigor of mature manhood, robust and healthy, and apparently devoted to their work; comparatively few distinctively young men, and only two or three that could appropriately be designated fathers. In this regard they seemed providentially adapted *wisely* to lay the foundations, *energetically* to rear the fabric, and to furnish a *plastic* hand to mould and symmetrize those institutions, and give direction to those living influences, which are ever to be an active and conservative power in the State.

The Convention is virtually and practically a Presbyterian Synod on the "plan of union." By this compromise plan, the Presbyterian and Congregational churches, while they each retain their distinctive forms of church government, associate together in District Conventions, which seem to have substantially the same supervisory and judiciary control over the creed and discipline of each church as a Presbytery with us; and the State Convention is constituted in the same manner as a Synod, with similar objects and powers, save its independence of a General Assembly. I was advised that, though the characteristic features of Presbyterianism predominated in the plan, much the larger portion of the churches were distinctively Congregational, and that the coöperation was so cordial and harmonious, that the predilections of brethren were seldom manifest, and were not generally known. Whether this novel plan will continue with like harmony and success, is a problem for the future to solve. The system, while it has promoted harmony and Christian fraternity, has also served an admirable purpose in preserving a unity of faith, and a uniformity of administration. And if Presbyterianism has lost some of its dis-

tinctiveness, Congregationalism has gained something by its unity and efficiency.

The Convention manifested much interest in promoting sound and thorough education, and in cherishing those institutions adapted to its dissemination; and, in every other laudable way, they are endeavoring to promote the great aims and mission of a Christian Church in a new State. They express their desire to continue their correspondence with this body, and appointed a Delegate to represent them at the sessions of this Assembly. D. C. HOUGHTON.

Philadelphia, Pa., March 6th, 1858.

VI. To the Cumberland General Assembly.

The undersigned would respectfully report, that, agreeably to the appointment of your body, made in 1856, he attended the General Assembly of the Cumberland Presbyterian Church, which met in May last, at Lexington, Missouri. It affords him pleasure to say, that he was very cordially welcomed by that body, who manifested, in every proper way, their appreciation of your friendly correspondence, and a strong desire that it should be continued.

There were in attendance about one hundred Delegates, mostly from the Middle, Western, and Southern States; and the harmony that prevailed throughout all their discussions was truly delightful. They seemed to feel that, though they were geographically separated, yet they were "one body in Christ, and every one members one of another."

The objects, that chiefly engaged the attention of the Assembly, related to education, to domestic missions, and to the condition of their "Book Concern;" and the lines of policy that should be adopted in controlling these great interests were fraternally and very ably discussed.

The growth of this body has been truly wonderful. Fifty years reach back to their first organization; and now they number more than a hundred thousand members, and more than a thousand ministers, many of whom are men of learning and ability. All over the wide and promising field of labor where the Master has given them occupancy, institutions of learning are being planted and fostered, in which the youth of the Church are to be trained for future service and usefulness.

Should this Church continue to adhere to the wise policy that has hitherto prevailed in her councils, a bright future is doubtless spread out before her.

Respectfully submitted, W. H. Parks.

St. Louis, May 22d, 1858.

III. Annual Reports.

1. EXTRACTS FROM THE SIXTH ANNUAL REPORT OF THE PRESBYTERIAN PUBLICATION COMMITTEE.

* * * * * * *

In the work of Publication, your Committee has been painfully restricted, during the past year, by want of means—a point to which attention will be again called in their report. They have adopted and stereotyped the following tracts:

Second Series. No. 1. Conformity to the World, by Albert Barnes. 36 pages, 18mo.

No. 2. Influence of the Theatre, by Rev. Thomas Brainerd, D.D. 36 pages, 18mo.

No. 3. Lessons of Husbandry, by Rev. B. B. Hotchkin. 36 pages, 18mo.

Of the American Presbyterian Almanac for 1858, 48 pages, 12mo, they issued six thousand copies.

They have had compiled, stereotyped, and printed, in accordance with the recommendation of the last Assembly,

The Testimony of the Presbyterian Church on the Subject of Slavery. 31 pages, 8vo.

The Committee have also, by the payment of $3500 of the purchase money of the Church Psalmist, to Messrs. Ivison & Phinney, late publishers of that work, secured the stereotype plates of the book, in three sizes, 12mo, 18mo, and 32mo, and have also purchased, to the amount of $1399.33, unbound copies of the book that were in the hands of its former publishers. The Committee are now issuing the Church Psalmist in various sizes and styles of binding.

The Committee have other tracts in hand, or in course of preparation, and look for still others from various portions of the Church, to be published, as they shall be supplied with the means of so doing.

The Digest of the General Assembly, a work greatly needed by our ministers and elders, is ready for publication. It will be stereotyped and issued, as soon as the Committee is furnished with the necessary funds.

In accordance with the instruction of the Assembly, the Rev. E. F. Hatfield, D.D., Rev. J. G. Butler, and Mr. Henry Ivison, were appointed a Committee to prepare a *Book of Tunes* adapted to the Church Psalmist.

Under the resolution of the last General Assembly, directing the appointment of a referee to be one of three to consider the claims of the Publisher of the *Parish Psalmody*, the Hon. Joseph Allison has been appointed such referee.

By the Treasurer's Report, herewith presented, it appears that the—

Balance on hand, May 1, 1857, was	$230 77
Donations received, during the year ending May 1, 1858,	8,179 55
Interest on funds, ...	48 60
Sales at Presbyterian Book Store, ...	3,715 05
Total Receipts, ...	12,173 97
Orders paid for sundry expenditures by the Treasurer,	11,058 07
Balance in the Treasury, ...	1,115 90

This balance is more than covered by outstanding claims.

It is proper to remark, that of the amount reported as donations, namely, $8179.55, the city of Philadelphia contributed $6096.94, and with two other contributions from the Third and Fourth Presbyteries of Philadelphia, (but not strictly from the city itself,) $7556.94; leaving, as the total receipts of the Committee, from all churches without the bounds of the Philadelphia Presbyteries, for the year ending May 1, 1858, the sum of $622.61.

The Committee find themselves, at the present time, in a position of great embarrassment. Whilst they are able and happy to report progress in their work, and whilst they find themselves within sight, and almost within grasp, of more substantial and valuable progress, they also find themselves on the eve of complete disaster.

Since the first action of the General Assembly (after the disruption) for the cause of Presbyterian Publication—the action of 1852, by which this Committee was organized with the title of "*The Doctrinal Tract Committee*," since changed to that of the PRESBYTERIAN PUBLICATION COMMITTEE—the progress of this cause, in the favor of the denomination, has been steady and cheering. By the enlargement of the powers of the Committee, by the unanimous approval of its labors by successive Assemblies, and by the instructions, from time to time given to it, the Publication Cause has grown in importance, and in value to the body.

The completion of the proposed payment of *twenty-five thousand dollars* on the purchase money of the PRESBYTERIAN HOUSE, by which it has been secured to our denomination, has greatly improved the position of the Committee. By the completion of this effort for the House, all objections to the claims of the Publication Committee, on the ground of its being a local object, have been removed. The House, having been put into the Assembly's possession, (almost wholly by the contributions of Philadelphia) the Publication Committee comes before the whole Church divested of all local features and complications. This the Committee esteems to be a ground of encouragement.

The completion of the contract for the purchase of the CHURCH PSALMIST, and the payment of $3500 towards its price, ($10,000,) by which possession of the book has been secured to the Assembly; and the completion of a contract for the purchase of the copyright of the CHURCH PSALMIST, with the Rev. Dr. Beman, are also marks of progress and grounds of encouragement, in a review of the events of the year.

Your Committee, then, are cheered, in that great difficulties have been surmounted, and decided progress has been made. But a little in advance of them they can see the happy termination of their protracted embarrassments; they can look forward to a point at which their operations can be made *to live* at least, without extraordinary appeals.

But this ground lies beyond a barrier that they see no way of surmounting, without the hearty aid of the churches at large. The good ship, that has been built and equipped with so much labor and expense, and that has weathered so many dangers, is likely to founder on the rocks, and to be lost, in sight of port, for lack of the breeze needful to bring her to a safe anchorage. For six years, the Committee have prosecuted the task intrusted to them by the General Assembly, patiently and gladly, yet under the heaviest embarrassments. They have raised, almost entirely by personal effort, and mainly in the city of Philadelphia, large sums of money, which have been expended in founding and sustaining the cause of Publication; they have received the approval of the denomination, and have obeyed its instructions; and now, after great progress has been made, are likely to fail from inability to meet the pecuniary obligations of the year. In obedience to the instructions of the General Assembly, the Committee have gone forward, entering upon prescribed efforts. They have made business arrangements, from which they cannot retreat without great pecuniary sacrifice. They have begun to make payments for the CHURCH PSALMIST, and cannot relinquish the purchase without a heavy forfeiture. These payments they have not the ability to meet. A collection, to be taken for this cause in October of last year, having been *unanimously* enjoined upon the churches by the General Assembly, the Committee were justified in looking for the means of completing this undertaking at least. That collection, with the addition of all other collections made without the Third and Fourth Presbyteries of Philadelphia, for the entire year, from May 1, 1857, to May 1, 1858, yielded the sum of $622.61.

Whilst several of our feeblest churches, according to their ability, heeded the Assembly's recommendation, and gave us their assistance, and some of the more able churches cheered us by their contributions, from the great majority of the churches we have heard nothing. Thus the Committee, after receiving instructions from the Assembly, and entering, in good faith, upon their duty, are left without the means of fulfilling those instructions. Thus the interests of religion, as represented in our denomination, are threatened with dishonor and loss.

* * * * * * *

The sum, absolutely needed to carry the Committee through the present year, may be stated, in round numbers, at *ten thousand dollars.*

For the publication of the Tune Book, Digest of the Assembly's Acts, the Chant Book, and minor works essential to the usefulness and continued life of the Committee, six thousand dollars more are needed. If the Committee could receive, this year, from all sources, $16,000, it could be made self-supporting, as to its organization. By owning a few works needed by the denomination (members or ministers) all of its expenses would be paid, whilst the body was profited. After this, all moneys contributed would go direct, and untouched by expenses, to the publication of books for sale and distribution. Eventually all donations might be applied to the gratuitous distribution of books and tracts for the promotion of the interests of the denomination and of religion.

It will be noted, that, in the estimate of funds needed by the Committee, no mention is made of presses or machinery. It is no part of the Committee's plan to own any of the machinery of book-making. Their property will be restricted to copy-rights and plates, which they must necessarily own. All their work, in the manufacture of books, is done for them by contract, and by printers and binders having no connection with the Committee.

JOHN W. DULLES, *Secretary.*

II. FOURTH ANNUAL REPORT OF THE TRUSTEES OF THE PRESBYTERIAN HOUSE.

The most important point of the present report relates to the transfer of the Presbyterian House from the temporary Trustees to the Trustees of the General Assembly. The purchase money has been paid to accomplish this object, and it was supposed that we should have been able to report that the title papers had passed. There are still, however, some legal technicalities to be gone through with, which, however, it is supposed will not occupy much time. There is now no other difficulty in the way than these mere legal forms.

The report of the Treasurer furnishes the following view of the funds:

Balance in the Treasury per last Report,	$737 38
Received from John A. Brown, Esq.,	10,311 67
" " Rents,	2,176 70
" " Collections,	122 79
	$13,348 54

EXPENDITURES.

Paid Estate of Dr. Hume, second installment in full,	$10,033 33
Ground Rent,	1,800 00
Taxes,	684 00
Repairs and miscellaneous, as per Treasurer's detailed statement,	138 40
	$12,655 73
Leaving a balance in the Treasury of	$692 81

It will be seen, that one half of the purchase-money of the house, or $20,000, has now been paid. Every other indebtedness of every kind has also been met, leaving $20,000 on ground-rent upon the building.

It is hoped that during the present fiscal year, the Trustees will be able to begin the Sinking Fund to pay off the $20,000 still unpaid. During the year now closed, the ground-rent was $1800; on account of the embarrassments of the Presbyterian Publication Committee, $400, being one half of the rent of the store occupied by them, was remitted; and, on account of the financial difficulties of the times, some of the rents of rooms in the building have necessarily been reduced. This, it is hoped, will only be temporary. During the coming year the ground-rent will be but $1200, and the means to pay one half of it are in hand; so that if the rooms in the building are all rented, something may be set apart for the Sinking Fund.

The term of the following Trustees expires during the present sessions of the Assembly: Mr. John A. Brown, Mr. M. W. Baldwin, Hon. William Darling, Rev. Thomas Brainerd, D.D., and Rev. George Chandler. According to the rule requiring an equal number of ministers and laymen in the Board, it will be necessary to elect two ministers and three laymen who, by the terms of the Charter, must be citizens of the State of Pennsylvania.

Respectfully submitted by order of the Board of Trustees,

BENJ. J. WALLACE, *Secretary.*

III. THIRD ANNUAL REPORT OF THE CHURCH EXTENSION COMMITTEE.

The Church Extension Committee would report, with thankfulness to the Head of the Church, that the life of every member of the Committee and of their missionaries has been preserved, and that the most perfect harmony has characterized all their discussions and conclusions.

Our missionary operations have been as follows:

1. The Rev. E. D. Neill, of St. Paul, Minnesota, has terminated his labors in connection with the Committee. His church will ask no further missionary aid.

2. The anticipation of the last year, also, in relation to the Rev. J. H. Trowbridge, has been realized. His church at Dubuque, Iowa, will need no further aid. They have raised a large sum to build a church, and are already aiding other churches in their region to support the Gospel.

3. The Rev. J. M. McLean of the Fourth Church, Mobile, Alabama, has also left the service of the Committee. He reports his church as succeeding well, and believes that it will become self-supporting.

4. The Rev. A. Hartpence, missionary at Nashville, Tennessee, has also terminated his connection with the Committee.

5. The Rev. Justin Marsh has prosecuted his labors as exploring missionary in the Presbytery of Monroe, Mich. He continued in our service until last autumn, when, the object of his appointment being partially accomplished, he accepted a favorable invitation for settlement in that region. A large part of his salary was paid on the field.

6. The Rev. G. Brown, who had been appointed exploring missionary in the Synod of Wabash, at the request of the Church Extension Committee of that Synod, retired from the field with the consent of that Committee after a service of six months.

7. The Rev. J. H. Spelman, who was appointed exploring missionary in the Presbytery of Keokuk, Iowa, served the term for which he had been appointed, and then retired from the field, having accepted a call in Indiana.

8. The Rev. John Kidd continued his labors with good success at Milwaukee, Wis., until last autumn, when he left the field, and soon after accepted a call to Joliet, Ill. The mission is continued, and, it is hoped, will soon be self-sustaining.

9. The Rev. Charles Kenmore, after preaching for some time at Cairo, Ill., has left the field. The Church Extension Committee of the Synod of Illinois, however, are looking out for a missionary for this very interesting field, and we expect it to be shortly reöccupied.

10. The Rev. William H. Williams has continued his labors as exploring missionary in the Presbytery of Keokuk, Iowa. He has traveled extensively, every where preaching the Gospel, and organizing churches whenever circumstances were suitable for it. The brethren in that region are very cordial in their commendation of his efforts.

11. The Rev. Sidney H. Barteau has continued his efficient labors as exploring missionary, having the general oversight of our interests in the Synod of Wisconsin. There is but one voice among the brethren of the Synod as to his acceptableness and usefulness. He has preached laboriously, and organized churches at several points.

12. The Rev. Williston Jones has continued his work as exploring missionary, for the Presbytery of Iowa, in that State. He is actively engaged in the duties of his appointment, and the Church Extension Committee of the Synod approve very cordially of his labors.

13. The Rev. I. P. Stryker has continued his work as missionary at Urbanna, Ill. A large part of Mr. Stryker's salary is assumed on the ground, and he has recently extended his labors to another church in the vicinity. The field is important and interesting.

14. The Rev. D. Ames has labored as missionary at Winona, Minn. This is a growing young city, and the Committee feel that a missionary must be sustained there. With much to encourage him, however, Mr. Ames, on account of peculiar circumstances, has thought it best to leave the field after serving the Committee for one year. It is hoped that another missionary will soon be appointed to take his place.

15. The Rev. Lewis H. Loss has been appointed exploring missionary in the Synod of Peoria, and is engaged in founding churches and preaching the Gospel through that region of country. The Synod will see, through their Church Extension Committee, that enough is raised upon their field to enable the Committee to pay Mr. Loss's salary.

16. The Rev. Daniel Clark has been appointed our missionary at Lyons, Iowa. He is laboring at an interesting and growing place. His church have many difficulties arising from the want of a house of worship, but are persevering, especially in view of the prospective importance of their city.

17. The Rev. S. Day has been appointed missionary in the South Church, Milwaukee, to succeed Rev. John Kidd. This enterprise appears to be coming up gradually. The brethren think that it still needs assistance, though the amount appropriated is gradually diminished. A third church has been established in Milwaukee, which, it is understood, will not ask aid from the Committee.

18. The Rev. C. H. De Long has been appointed missionary at Oskaloosa, Iowa. The place is growing rapidly, and it is understood that assistance will be needed but a short time.

19. The Rev. J. V. Downs has been appointed missionary at Elgin, Ill. The Synod of Peoria, who are entering very cordially into the work of Church Extension, will see that his salary is paid. The prospects of the mission are, so far, very favorable.

20. The Rev. W. A. Hendrickson has just been appointed missionary at Plymouth, Ill. Mr. Hendrickson has been preaching at that place for some time, and is cordially recommended by his Presbytery.

21. The Rev. D. T. Packard has been commissioned for Davenport, Iowa, on condition that the church and their pastor unite with the Presbytery. It is supposed that the church will not long need aid.

22. The Rev. William Lusk has just been appointed missionary at Reedsburgh, Wisconsin, with encouraging prospects.

To these are to be added the following, belonging to the Synod of Illinois, which it is expected will be received into a formal auxiliary relation with the Committee at its next meeting. We are authorized to report them as part of our operations.

23. Rev. A. T. Norton, Secretary of Church Extension for the Synod of Illinois. His salary is raised entirely on his field.

24. Rev. Joseph Gordon, of Vandalia, Ill., to labor within the bounds of the Presbytery of Alton.

25. Rev. Enoch Kingsbury, of Danville, Ill, to labor within the bounds of the Presbytery of Wabash.

26. The Rev. J. W. Baynes has been appointed exploring mission-

ary by the Presbytery of Monroe, Mich., which is auxiliary to our Committee, to labor within their bounds. They say, the aid that we gave them in supporting their former missionary was just the encouragement they needed, to go forward in Church Extension work.

The following churches, it will be observed, have ceased to ask aid of the Committee since our last Report: the House of Hope, St. Paul, Minn.; the First Presbyterian Church, Dubuque, Iowa; the Fourth Presbyterian Church, Mobile, Ala.

The following missionaries have ceased to be connected with the Committee since our last report: the Rev. Messrs. E. D. Neill, J. H. Trowbridge. J. M. McLean, A. Hartpence, John Kidd, Justin Marsh, G. Brown, Charles Kenmore, and J. H. Spelman.

The number of missionaries has nearly doubled during the year. Last year we employed fourteen, and this year twenty-six missionaries.

By the Report of the Treasurer it appears that the receipts for the year have been $4934.59, and the expenditures $4790.60, leaving a balance in the Treasury of $143.99. To this is to be added the amount received by the Synod of Illinois and Presbytery of Monroe, making the entire receipts $6234.59, and the expenditures $6090.60.

The year has been an exceedingly difficult one, as is known, for all benevolent operations. It is a subject for congratulation that in these circumstances the receipts of the Committee have not only been equal to those of last year, but have increased 100 per cent, within a small fraction.

But the Committee, though their receipts and missionaries have thus nearly doubled within the year, are by no means satisfied that our Church is doing what it ought through this channel. So embarrassed have we been for funds, so painful has it been to postpone applications which ought to be granted, and to be in debt to missionaries for sums which they really and sometimes distressingly need, that the Committee determined, after much thought and deliberation, to depart so far from their former system of leaving the raising of funds entirely to the pastors and members of our churches, as to authorize their Secretary, to visit ecclesiastical bodies and such churches as it might be thought best, in order that the importance of the operations of the Committee might be so seen, as to produce the requisite response. This course was, however, only entered upon late in January, and the Secretary immediately began the arrangement of his other engagements, which were very numerous and pressing, so that he might fully meet the views of the Committee. He found this arrangement of his business more difficult than he expected, and occupying much more time, so that but little could be done before the close of the ecclesiastical year. This matter, he hopes, will be so arranged ere long that he will be able, during the coming ecclesiastical year, to procure funds to meet all proper calls upon the Committee.

The longer the Committee are engaged in the work, the deeper is their impression of its importance. Our Church now has exploring missionaries in Northern and Southern Illinois, in Wisconsin, and in Iowa. We expect to commission men, ere long, for Michigan, for Minnesota, and for Nebraska and Kansas. Besides, the very points

where the most important cities are to grow up are especially those which apply to us for aid. To take a single State as a specimen: in Iowa, it is Davenport, Dubuque, Oskaloosa, and Lyons, that look to us to sustain churches for a time until they can gain strength. We have been much impressed by the fact, that through our Committee a very small sum is doing very great good. It has seemed to us that in no possible way could from ten to twenty thousand dollars be, during the next ecclesiastical year, so expended as to return a richer revenue to our Church and to the cause of Christ, than through this Committee. It is emphatically a seed-time, and the seed sown will yield thirty, sixty, and an hundred fold.

The Committee only further report, that the term of the following members expires during the present sessions of the Assembly: the Rev. George L. Prentiss, D.D., the Rev. John C. Smith, D.D., the Rev. Thomas J. Shepherd, Mr. M. W. Baldwin, and Hon. E. A. Lambert.

Respectfully submitted,

BENJ. J. WALLACE, *Secretary.*

IV. EXTRACTS FROM THE FOURTH ANNUAL REPORT OF THE TRUSTEES OF THE CHURCH ERECTION FUND.

* * * * * * *

It is with no little pleasure that the Board would state to the General Assembly that, notwithstanding the unparalleled embarrassments of the last year in monetary affairs, the consequent failures in business, and the great depreciation in all kinds of securities, the Fund has suffered no loss whatever. The present amount of it, deducting all the expenses of the year, is $105,394.46. The unappropriated part of the Fund is either deposited in Bank or is invested in such undoubted collateral securities as to be safe, and at once convertible into cash.

The following Statement will show the portion of the Fund allotted to each Synod by the last Assembly, and the amount granted this year, together with the names of the churches to whom the grants have been made:

The whole number of applications received during the year is thirty-two. Four of these are not entered upon the above list, because the papers have not yet been sent to them for execution, owing to some informalities in the application. But the Board have decided to extend aid in these cases, and have signified this intention to the parties. The total amount of grants, therefore, made during the year is $11,685. This amount has not as yet all been paid out by the Treasurer. The amount of grants will always be in advance of what is paid out by the Treasurer, because a considerable time must necessarily elapse before the papers sent to the parties, after the grant is made, can be executed and recorded by them and returned to the Secretary for approval by the Board, all of which has to be done before a draft upon the Treasurer for the amount granted, is sent to them. The number of donations made during the year is eight, and their average amount is $187. The number of loans is twenty-four, and their average $424. There has, therefore, been a decrease in the average amount of donations, from that of the previous year, of some four dollars; and an increase in that of loans of some twenty-eight dollars. The whole amount of the Fund, thus far disbursed in grants, is $30,328, or nearly one third of the Fund, as it existed at the beginning.

The Board would call the attention of the General Assembly to the XIVth. article of the Plan, and recommend that the following sentence be added to the first paragraph in sec. 3, namely: "And in case any church or congregation receiving a loan, shall afterwards withdraw from the General Assembly, the whole amount of that loan, remaining unpaid, shall at once become due."

IV. Miscellaneous.

I. EXPENSES OF THE GENERAL ASSEMBLY.

The attention of the Presbyteries is called to the plan, proposed by the Assembly of 1857, for the raising of an annual fund, to defray the traveling expenses of Commissioners, and the contingent expenses of the General Assembly.

"The Committee on the Polity of the Church to whom was referred the consideration of a permanent system of Mileage, presented the following report, which was adopted:

"The Constitution affirms that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The following recommendations are therefore submitted:

"That each Presbytery be earnestly requested to contribute annually their full proportion towards the expenses of our General Assemblies.

"That this proportion be determined by the number of communicants connected with the Presbytery.

"That the rate, *per capita*, for the next Assembly, be five (5) cents for each communicant.

"That each Presbytery be at liberty to apportion their quota among their churches as they shall deem best.

"That the Standing Committee on Mileage, annually appointed, estimate and report the probable amount that will be needed to defray the necessary traveling expenses of the Commissioners, and the contingent expenses of the next succeeding Assembly, together with the rate that will be adequate.

"That, on or before the fourth day of the sessions of each Assembly, the amount thus contributed be paid to the Committee on Mileage, and a bill be presented by each Commissioner, of his necessary traveling expenses and mileage.

"That these bills, having been duly audited by the Mileage Committee, be paid as fully as the funds will permit, after appropriating an amount sufficient to defray the contingent expenses of the Assembly.

"That each minister and vacant church connected with those Presbyteries who have contributed their full quota to this fund, be entitled to a copy of the Annual Minutes.

"That, in order to avail themselves of the privileges of this plan, the Presbyteries must contribute and forward to the Assembly their full proportion of this fund as thus determined."

II. ANNUAL MINUTES.

Price, as determined by the Assembly of 1854, *forty cents*, and no charge for postage. A copy will be sent, without charge, to the Stated Clerk of every Presbytery, and of every Synod; also to every Minister, and the Session of every vacant church, whose address is known, and whose Presbytery has contributed to the Mileage Fund its full apportionment.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod, in which are to be stated the number of Presbyteries, ministers, churches, licentiates and candidates within their bounds, and how distributed; the changes which may have been made in the number or arrangement of their Presbyteries; the place and hour of their next Annual Meeting, and the names of the Moderator and Stated Clerk.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly—

1. A *Statistical Report*, according to the form exhibited on page 643 of the present Appendix, of which a printed blank will be furnished in due season, by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. *A Narrative of the State of Religion* within the bounds of the Presbytery for the year ending April 1st. These Narratives should specify facts in regard to the particular churches, their state, trials, encouragements, and prospects; how many of them, and which, have enjoyed revivals of religion through the year; in which of them the Catechisms are taught, Sunday-schools and Bible-classes organized, the number of scholars in each, etc.; also the decease, if any, of the min-

isters of the Presbytery during the year. Also, as directed by the General Assembly of 1854, its various arrangements for Church Extension; stating the number of its ministers, and the particular manner in which they are employed; the number of its churches, and how they are supplied; the gross amount of funds collected in its bounds for Home Missions and Church Erection; the amount received by its churches from the American Home Missionary Society, or any similar institution; the number of houses of worship, with their probable value, and whether they are free from debt; the number of new churches organized and new houses of worship erected; what itinerant arrangements have been adopted for preaching the Gospel; what and how much agency has been employed; together with all such other facts and suggestions as will show, from year to year, what has been accomplished, and what may need to be undertaken, to bring all the churches to a proper degree of effort to promote the kingdom of Christ. As the Narratives are not to be publicly read, less care may be given to their style, and more to the detail of particulars, such as will aid the Committee of the Assembly, in preparing their Annual General Narrative of the State of the Church.

V. STATED CLERKS OF PRESBYTERIES.

Attention is requested to the following particulars: Let the Stated Clerk of every Presbytery take special care,

1. That the Commissioners to the Assembly are furnished with a *Commission*, according to the model prescribed in the Form of Government, chap. XXII., sec. ii.

2. That the Apportionment for the Mileage Fund of the Assembly be, in due season, distributed annually by the Presbytery among its churches, and the amount forwarded by the hands of one of the Commissioners, or by mail, to the Stated Clerk of the Assembly.

3. That the *Presbyterial Reports*, specified in the previous article, be duly prepared, *authenticated*, and forwarded. These Reports should be on separate papers, for the convenience of the Assembly in referring them to distinct Committees.

In preparing the Statistical Report, let the following rules be observed:

(1.) Carefully copy the blank form and order of columns, etc., on page ☞ 643.

(2.) Record ministers in the order of their *ministerial* age, with their *Christian* names in full, and their address in the adjoining column.

(3.) Place the name of every church opposite the name of its pastor or stated supply; or, if vacant, at the foot of the roll.

(4.) Place, after the name of every minister, an abbreviation, denoting his occupation; e. g.: P., for a Pastor; P. E., for a Pastor Elect; P. C., for a Pastor of a Congregational Church; C. P., for a Col-

league Pastor; S. S., for a Stated Supply; H. M., for a Home Missionary; C. M., for a City Missionary; T. M., for a Tract Missionary; S. M., for a Synodical Missionary; P. M., for a Presbyterial Missionary; F. M., for a Foreign Missionary; Pres., for the President of a College; Prof., for a Professor in a College or Theological Seminary; Sec., for a Secretary of a benevolent institution; D. Sec., for a District Secretary; Ag., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; W. C., for a minister without charge; and Col., for a Colporteur.

(5.) Place after the name of every church the abbreviations, P., for one that has a Pastor; P. E., for one that has a Pastor Elect; S. S., for one that has a Stated Supply; or V. for one that is vacant.

(6.) If a church fails to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants denoting the fact.

(7.) In the *additions* to the church, distinguish between those on *examination* and those on *certificate;* in the *baptisms*, between the *adults* and the *infants;* and be careful to observe the order of the columns in which these particulars are recorded.

(8.) In the report of "*Funds*" contributed observe the directions at the foot of the blank form on the next page, ☞ 643.

(9.) The *names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column; but of the Candidates, —including all who are studying for the ministry under the care of the respective churches of the Presbytery,—the *number* only is to be given.

(10.) Avoid erasures or interlineations, and make names and numbers distinctly legible.

(11.) ☞ ADD UP ☜ every column, and authenticate the Report with your *signature.*

(12.) Affix no extraneous matter, such as memoranda, explanations or orders for the delivery of the printed Minutes of the Assembly; let these be given on a separate sheet.

☞ If any thing should prevent the forwarding of the Statistical Report in time for the Meeting of the General Assembly, let it be sent, as soon as possible, by mail, to the Stated Clerk of the General Assembly, No. 103 West Thirty-Fourth street, New-York City.
